4. OLD BUSINESS

a. Tualatin Tomorrow Vision Action Plan Report

Deputy City Manager Singer asked if the Committee had feedback on the layout of the draft report. The committee members made several suggested changes for the report. Chair Kelly said we should define who the audience is for the report. Committee Member Casey said we need to make sure we include information about where people can find more detailed information about the Vision, the partners, and who to contact to get involved. Manager Singer said she would implement the suggested changes.

b. Partner Recruitment Update

Manager Singer shared the partner recruitment matrix and asked the Committee if they had any additional suggestions for lead or supporting partners for the actions. Committee member Moholt said we should contact the Tualatin School House Food Pantry to see if they would be interested in participating as the lead partner for Action 14.4.

5. NEW BUSINESS

a. Partner Kick Off Event

Manager Singer gave an update on the Partner Kick-Off Event which will be held on Tuesday, June 10th at 11:30 a.m. for all lead and supporting partners who will be participating in the Vision Plan Implementation.

Committee Member Casey said it would be good to have Vision Advisor Jason Robertson highlight success stories and how this implementation model can work in Tualatin.

Councilor Bubenik said the event will also be good for partner networking, so it would be good to keep it more informal for the group.

Committee Member Moholt said we should set up boards which list the partners for each goal.

Chair Kelly asked if we should have assigned seating or not for the partners. Group decided to discuss these logistics at the next meeting.

Manager Singer said we will invite people as we have our recruitment meetings, and we will get a formal invitation out to those who we haven't had a chance to meet with in late April. The group asked about buffet versus sit down lunch. Manager Singer said staff would work on the logistics for the event. Committee member Casey said to be sure and include "lead partner" on the name tags for those who have committed.

Manager Singer provided the Committee with an update on the City parking lot design and Seneca Street design.
