Section 47. Purpose.

The purpose of this Chapter XI of the Charter is to prevent the transfer, sale, vacation or major change in use of city parks without first obtaining an approving vote of the legal voters of this city; to preserve the natural beauty, ecological integrity and recreational value of the city's parks from incompatible and non-park development; to protect the public park uses and purposes for which city parks are established, acquired or dedicated, and to prevent conversion or development of parks or parts thereof to nonpark or incompatible uses. [Charter

Amendment adopted at a special election held March 8, 2011].

Section 48. Definitions.

The following definitions apply to this Chapter XI.

(a) The "city" means the City of Tualatin, its city council, city departments and city employees acting within their official capacities.

are unrelated to the park uses for which the park was established, acquired or dedicated.

(c) "Parks" are parcels of real property owned by or dedicated to the City of Tualatin for purposes of public recreation, preservation of open space, riparian greenway, natural wildlife or other habitat values, or the preservation of historic or cultural resources. The term "park" encompasses all such properties owned by or dedicated to the city whether held in fee or as an easement.

(d) To construct or allow to be constructed or expanded in a city park any street, road, parking lot or permanent above ground structure, including buildings, power

CHARTER

This section is not intended to prevent or require an approving vote to allow temporary structures, tents, shelters and the like to be erected in a city park for commercial or non-recreational or preservation uses so long as these temporary structures are erected and used in conjunction with a community based event or park use of the park. CHARTER

Section 51. Later Acquired and Expanded Parks.

Existing parks may be expanded and additional parks may be created, acquired, dedicated or designated by the city for park purposes. Whenever any real property is designated as a city park, it shall be subject to all of the provisions of this chapter XI, except that the city's initial acquisition of a parcel of real estate may include portions of property and improvements that are not appropriate or intended for city park purposes. Nothing in this Chapter shall prevent or require an approving vote to dispose of non-park portions of such a property that is acquired for park purposes, so long as the city disposes of the non-park portion(s) within two years of acquisition or dedication of the larger property.
