

What does the status of my application mean?

RECEIVED	The City of Tualatin has received your application/submittal and a staff member will contact you either with corrections, or that it's ready for pick up when complete.
IN REVIEW	Your permit is currently in review.
WAIT FOR APPL RSPNS	Staff is waiting for an applicant response. Staff has notified the applicant of missing information, corrections, etc and the application is on hold pending additional information from the applicant.
WAIT OUTSIDE REVIEW	Staff is required to contact multiple outside agencies depending on the type of project. The fire department, Clean Water Services, testing agencies, or consultants are examples of outside reviews. The application is on hold pending additional information from an outside source.
PREP FOR ISSUANCE	The plans examiner has completed their review. Additional paperwork must be prepared, fees must be double checked and calculated, other internal departments may need to sign off, or there could be an issue with licensing. Please wait for staff to contact you with any issues that arise, or wait for a "Ready to Issue" status before picking up your permit.
READY TO ISSUE	Your permit is ready to pick up and permit fees are all calculated.
ISSUED	The permit has been issued and the contractor or owner is approved to start construction.
FINALED	This permit is final and closed. No additional inspections are required and the work is approved.
EXPIRED	No activity has been performed on this permit in over 180 days. This permit is expired as per Oregon State Building Codes.
WITHDRAWN	No activity has been performed, the job has been cancelled, and the permit has been withdrawn by the applicant.
VOID	This permit has been canceled.
CERTIFICATE ISSUED	This permit is final and closed, no additional inspections are required, the work is approved, and a Certificate of Occupancy has been issued.
ONLINE SUBMITTED	This permit has been submitted to the City online by the applicant.
