NOISE ORDINANCE - AMENDED 5/29/2013

Name: Oregon Asphaltic Paving LLC/ Tigard Sand & Gravel LLC – Roger Metcalf

Address: P.O. Box 4810

City: Tualatin State: OR Zip: 97062

An application for a Type I Variance to the Washington County Noise Ordinance has been submitted for the following period of time.

Start Date	End Date	Start Time	End Time	Location
May 20, 2013	June 14, 2013 AMENDED	7:00 PM, May 20, 2013	12:00 AM, June 14, 2013 AMENDED	21455 SW 120 th Ave., Tualatin, OR 97062

This request is based upon the following information.

AMENDED: Variance has been extended to June 14, 2013. Oregon Asphaltic Paving LLC/Tigard Sand & Gravel has been delayed in its support to a paving project within Lake Oswego due to the unseasonably wet weather as of recent. No complaints have been received prior to extension.

Oregon Asphaltic Paving LLC/Tigard Sand & Gravel has been tasked with supporting a paving project within the City of Lake Oswego. The project has been requested to be conducted at night by the City of Lake Oswego to avoid safety concerns associated with traffic delays and high traffic volumes during the daytime hours. Due to the work be scheduled at night, Tigard Sand and Gravel will need to run a night shift in order to supporting the paving project with material. This approach has been conducted on numerous previous occasions.

The noise created will be from a front end loader and truck traffic entering the plant to pick up materials for the paving project. There will also be minimal noise from the asphalt plant. There will be no unloading of materials, an activity that often results in higher volumes of noise.

The noise impacts should be minimal, similar work has been conducted on multiple occasions in the past few years and no noise complaints were received by the applicant. The applicant will work with the City of Tualatin to post information on its website for interested parties to see.

Based on this information, the request is hereby:

Approved

Approved Subject to Conditions:

This request for variance is approved based on the information provided by (Roger Metcalf), representative for the applicant.

Conditions of Approval:

1. Applicant shall notify neighboring single family noise sensitive units residing directly (within 1500 feet) East of Tigard Sand and Gravel either via door hanger or postcard at the residence at least 48 hours in advance of any nighttime work. Said notification shall include a phone number that can reach an on-site representative while nighttime noise is being created.
2. Applicant shall notify the City of Tualatin of this event so that they can post it on their website for access by interested members of the public.
3. Applicant shall disconnect, or not use, the horn on the plant during the nighttime hours between 7:00pm and 7:00am.

Denied

Application not in compliance with the following requirement(s):

- 8.24.025 (a) – processing fee
- 8.24.025 (b) – name, address, telephone number, and authorized signature
- 8.24.025 (c) – length of time for the variance
- 8.24.025 (d)(i) – purpose for the creation of the noise
- 8.24.025 (d)(ii) – nature of the noise
- 8.24.025 (d)(iii) – affected population with geographical areas of the noise
- 8.24.025 (d)(iv) – duration and times of the noise
- 8.24.025 (d)(v) – potential impacts of noise on the affected population
