

WEEKLY PROJECT UPDATE – January 12, 2024

<p><b>Tualatin- Sherwood Rd        (from Teton Ave to        Sherwood)</b></p>	<p><b>Cipole Road will be closed north of Tualatin-Sherwood Road from January 29<sup>th</sup> through February 8<sup>th</sup> as the County's contractor extends the big new water line along Tualatin-Sherwood Road across the Cipole Road intersection.</b></p> <p>Washington County's contractor is building additional travel lanes and pathways along Tualatin-Sherwood Rd from Teton Ave west into Sherwood. They are also building a new 66" water line under this section of road that will carry Willamette River water from Wilsonville to Beaverton, Aloha, and Hillsboro. The contractor is now working on excavation along the north side of Tualatin-Sherwood Road for the widened roadway and pathway. Delays likely.</p> <p>More information is on the Washington County website at <a href="https://www.washingtoncountyor.gov">Tualatin-Sherwood Road (Langer Farms Parkway to Teton Avenue)   Washington County, OR (washingtoncountyor.gov)</a> and Road closure / traffic information at <a href="https://www.washingtoncountyor.gov">Road Closures &amp; Traffic Advisories   WC-ROADS</a></p>
<p><b>67<sup>th</sup>, 68<sup>th</sup> Avenues and        Sagert Street</b></p>	<p>PGE has installed new street lights in the Las Casitas neighborhood.</p> <p>The contractor is installing new raised curb to provide a separate walkway/ bikeway on the Sagert Street bridge over I-5. The raised curbing on the bridge will be installed when the weather is dry enough and warm enough for the epoxy to stick properly. Vehicle travel lanes have been narrowed for pedestrian space and safety. While the lanes are considerably narrower than they previously were, the new lane width meets the appropriate standards.</p>
<p><b>Boones Ferry Rd from        Tualatin-Sherwood Rd to        Sagert St and from Ibach        St to Iowa Dr</b></p>	<p>The contractor is connecting the new controller for the traffic signal on Boones Ferry Rd at Warm Springs St. This will be followed by some utility work and a new sidewalk and curb ramps in the next couple of weeks. Delays possible.</p> <p>The contractor is planning to begin construction in February for a new traffic signal pole on the southwest corner of Boones Ferry Rd and Avery St to accommodate a short right turn lane for eastbound traffic on Avery St turning right to head south on Boones Ferry Rd.</p> <p>More information is at <a href="http://www.boonesferrycorridor.com">www.boonesferrycorridor.com</a>.</p>
