

WEEKLY PROJECT UPDATE – July 5, 2023

<p><b>I-5/Hwy 217 Interchange</b></p>	<p><b>As part of the Hwy 217 project, ODOT’s contractor will be narrowing Hwy 217 northbound to a single lane from I-5 to Hwy 99W from July 21 through 31. The merge to a single lane will start on the ‘flyover’ ramp from I-5 north to Hwy 217 and continue north as a single lane through the Hwy 99W interchange. Expect significant traffic delays.</b></p> <p>These closures are necessary for the <a href="#">OR 217 Auxiliary Lanes Project</a> to build a section of the new auxiliary lane on OR 217, which will reduce congestion by giving drivers more space and time to merge safely when it opens in 2025.</p>
<p><b>Hwy 99W (124<sup>th</sup> Ave to Pacific Dr / Pony Ridge Neighborhood)</b></p>	<p>Construction is scheduled to start July 17<sup>th</sup> of a new pedestrian walkway along the northwest side of Hwy 99W from 124<sup>th</sup> Ave to Pacific Drive and the Pony Ridge Neighborhood. This will involve right lane closures on Hwy 99W southbound while crews are working. An early phase of the project is removing trees, shrubs, and fences along the highway where the new walkway will be.</p>
<p><b>Boones Ferry Rd from Avery St to Norwood Rd</b></p>	<p>The contractor has completed the major paving work on Boones Ferry Road (from Avery to Ibach). Striping is planned late next week.</p> <p>Phase 2 of this roadway project – From Tualatin-Sherwood Rd to Nasoma St, and the Ibach St and Iowa St intersections - is coming later this Summer. More information is at <a href="#">boonesferrycorridor.com</a>.</p>
<p><b>Boones Ferry Road Waterline between Ibach St and Norwood Rd</b></p>	<p>The contractor is constructing a new waterline along the west side of Boones Ferry Road from Ibach St to Norwood Rd. Some trees have been removed that were in direct conflict with the waterline. Work will continue in a couple of weeks along Norwood Road to 89<sup>th</sup> Avenue. Traffic is being controlled by flaggers; delays likely when they are working.</p>
<p><b>Tualatin-Sherwood Rd and Nyberg St from Martinazzi to I-5</b></p>	<p>The contractor is removing and replacing the median (from Martinazzi to the Cabelas/Fred Meyer signal) this week. This project is planned to last through October to improve Tualatin-Sherwood Road and Nyberg St from downtown Tualatin to the I-5 interchange by making traffic flow more efficient through improved lane usage. Most of the construction will be done at night to minimize disruption of traffic. However, as traffic is so busy in this area, some additional delay is likely.</p>
