Tualatin Named One of America’s Best Communities - America’s Best Communities (ABC) Competition

Tualatin is one of the Top 5 Best Oregon Cities to Open a Business - NerdWallet.com
Dear Residents and Businesses of Tualatin,

I am proud to present this year’s Budget in Brief. The adopted budget was approved by the City Council on June 22, and will, once again, direct our goal of providing excellent customer service while keeping within our budgetary guidelines. The complete budget is available for viewing on our website.

The Budget in Brief provides an overview of the City’s operating budget and highlights some of the more important and interesting aspects of our 256 page budget. It includes the Budget Committee who reviews and approves it, the Council who adopts it, the budget process, where the money comes from and where it goes, highlights from this year’s budget, and recognizes our amazing volunteers and employees. It also includes some of the capital projects budgeted this year from our long-range Capital Improvement Plan (CIP). This year’s budget theme is “I LOVE Tualatin” and it was clear while preparing the budget, and going through the budget process, that our employees love Tualatin and work hard to provide the services our citizens have come to enjoy while living within our means and being good stewards of the taxpayer dollars.

It’s an exciting time to live and work in Tualatin. Our population has grown to 26,925, existing businesses are growing, new businesses are coming in and building permit activity is keeping our Building Division hopping, providing more jobs and income to the City. The City continues to install new software to provide better service to our customers, allowing them to manage their accounts and permits online.

The total adopted budget for Fiscal Year 2015/2016, (excluding the Tualatin Development Commission) is $78,964,170.

I am honored to serve with the more than 150 dedicated employees who work for you and to live and work in a community that LOVES Tualatin.

Sincerely,

[Signature]

The annual budget is one of the most important and informative documents city officials will use. In simple terms, the city’s budget is a financial plan for one fiscal year. It shows the estimated costs of expenditures (items or services the city wishes to purchase in the coming fiscal year) and other budget requirements that must be planned for. It also shows the resources that will be available to pay for those expenditures.

The State of Oregon’s budget law requires citizen involvement in the preparation of the budget. This requirement is achieved through a Budget Committee that consists of the City Council plus an equal number of appointed citizens with equal voting rights. A proposed budget is presented to the Budget Committee who reviews it during public meetings, receives public testimony and then sends the recommended budget to Council for a public hearing and adoption.

COUNCIL

The City Council met in January 2015 to discuss and set priorities based on their goals. Even though our mission remains the same, every year decisions are made as to what items need to be addressed immediately and the plans for continuing to work on our goals for the city. To view the Council goals, visit our website at www.tualatinoregon.gov.

This year’s Volunteer Appreciation Dinner theme was Volunteers are the Essential Piece. They truly are essential to our organization and this year 3,733 volunteers donated 28,898 hours planting trees, shelving books, volunteering at the Juanita Pohl Center, building projects, and so much more. That is the equivalent of almost 14 full-time employees. Volunteers come in all ages and are another reason We LOVE Tualatin!
