## City of Tualatin announces the Customer AutoPay program!

### Why use it?

- Save on postage
- Save time writing checks
- Decrease the chance your check will become lost or stolen in transit
- Know that your bill is paid on time

### How does it work?

Each month, you will receive your water bill, showing the amount due and the due date.

On the payment due date, the amount due will be deducted from your checking account and transferred by your bank to the City.

It may take up to a month for changes to become effective. Please continue paying with a check until you see a message on your bill that says "bank draft - do not pay." You can discontinue your participation in AutoPay at any time.

City of Tualatin reserves the right to deny or cancel participation in the AutoPay program.

## Sign me up!

To participate, please complete this form and return it to the City at the address on the reverse side of this form. Do not include the form with your bill payment.
