Job Title: Building Construction Inspector II
Department: Building
Reports To: Building Official
FLSA Status: Non-Exempt

SUMMARY: Reviews plans and specifications to ensure compliance with building and planning regulations. Inspects new and existing buildings and structures to enforce conformance to building, grading, and zoning laws and approved plans, specifications, and standards by performing the following duties.

ESSENTIAL DUTIES AND RESPONSIBILITIES: include the following. Other duties may be assigned.

Inspects residential, commercial, industrial, and other buildings during and after construction to ensure that components such as footings, floor framing, completed framing, chimneys, and stairways meet provisions of building, grading, zoning, and safety laws, architectural review requirements and approved plans, specifications, and standards.

Observes conditions and issues notices for corrections to persons responsible for conformance.

Obtains evidence and prepares report concerning violations which have not been corrected.

Interprets legal requirements and recommends compliance procedures to contractors, craftworkers, and owners.

Keeps accurate inspection records and prepares reports for use by administrative or judicial authorities as required.

Conducts surveys of existing buildings to determine lack of prescribed maintenance, housing violations, or hazardous conditions. Performs nuisance abatement procedures.

Makes recommendations for changes in regulations governing building inspections where applicable. Reports and advises the Building Official on progress of projects.

Drives to job sites, city facilities, vendors, training programs, and local and regional meetings as necessary.

SUPERVISORY RESPONSIBILITIES: This job has no supervisory responsibilities. May be assigned as a lead person to direct specific work activities of other employees on specific projects as assigned.
COMPETENCY: To perform the job successfully, an individual should demonstrate the following competencies:

Judgment - Exhibits sound and accurate judgment; Supports and explains reasoning for decisions; Includes appropriate people in decision-making process; Makes timely decisions.
Planning/Organizing - Uses time efficiently.

Professionalism - Approaches others in a tactful manner; Reacts well under pressure; Treats others with respect and consideration regardless of their status or position.

Safety and Security - Observes safety and security procedures.

Adaptability - Adapts to changes in the work environment; Able to deal with frequent change, delays, or unexpected events.

QUALIFICATIONS: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Language Skills: Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.
