CITY OF TUALATIN
Classification Description

Job Title: Permit Coordinator
Department: Community Development
Reports To: Building Official
FLSA Status: Non Exempt

SUMMARY: Performs a variety of technical and clerical duties in support of the Building division. Issues building permits, conducts research, monitors permit processes, provides information and customer service to the public. The Permit Coordinator is responsible for managing complex work assignments, timely problem solving and cross-department coordination of permit processes. May perform in a lead capacity within the Building Division by coordinating the permit process between divisions, and through distributing work, reviewing work, establishing schedules/timelines and training staff in the permit process.

ESSENTIAL DUTIES AND RESPONSIBILITIES: include the following. Other duties may be assigned.

Serves as the “face” of the Building Division, providing high quality customer service to all customers, both internal and external. Ensures that all customers experience high quality and timely service from the Building Division.

Serves as a liaison between developers, builders, applicants, and City staff for coordination of permits; advises and informs customers of document and plan submittal requirements; attends pre-application and pre-submittal meetings as necessary; serves as the main staff contact for developers and the public on permit status.

Receives, reviews, issues and processes applications, permits and receipts for all types of residential, industrial and commercial building permits and schedules inspections for those permits. Calculates permit fees and system development charges. Performs quality control review on the documentation and computer data input related to permit processing, checking for accuracy and completeness. Performs a variety of permit related clerical tasks.

Assists Building Official with special projects when needed.

Provides lead support and guidance to other permit staff including distributing work, reviewing work, establishing schedules/timelines and training.

Performs review of and interprets plot plans to ensure code compliance; resolves moderately complex issues of compliance.

Researches and provides storm and sanitary sewer location as-built information; provides and interprets information from maps, plat notations, easements and recorded information.

Provides information regarding the application and permitting process; technical information, and building and other municipal codes. Monitors and maintains an adequate supply of informational materials.

Monitors the permit process by routing and tracking applications and plans through the approval process. Ensures timely processing of application requests. Maintains application and other records, prepares statistical monthly, quarterly and annual fiscal reports.

Tracks expiration dates on permits and prepares and mails letters of pending expiration to applicants. Calculates, collects, processes and records fees. Processes credits and prepares related reports. Coordinates with the Finance department.
Transcribes inspection requests from a recorder to a computerized system; prepares necessary documents and provides office support to field staff.

Collects data and provides reports for the Building Official indicating monthly, quarterly and yearly permitting data.

Assists in the resolution of complex and sensitive customer service issues, either in person, by telephone or in writing.

Maintains the Building Division’s web page. Creates new pages as necessary.
