Free Notary Services

Patron Policy & Guidelines

To provide this service to our patrons, Tualatin Public Library relies on the kindness and professionalism of our Notary Services Volunteer, Oksana Davletshina.

We ask the following of any patron who wishes to utilize this service:

- Our general Library Rules of Conduct apply to this service, including the expectation of being respectful and considerate of other people in the library.
- Please bring only the number of documents you stated you needed notarized when your appointment was booked.
- Our notary reserves the right to refuse service based on her professional training and experience. Tualatin Library staff can guide you to other places for notary service, which may or may not incur a cost to you.
