The Library is conducting a community survey this month; Library staff recently completed an internal customer service assessment. The Library is continuing its project to reupholster chairs. Thompson also shared recent statistics and comment cards.

3. Teen Library Committee: Jerianne Thompson reported that the Teen Library Committee reviewed the Teen Room rules and recommended changing “no roughhousing or messing around” to “no disruptive behavior.”

4. Public: None.

D. OLD BUSINESS

1. Parks & Recreation Master Plan Update: The committee reviewed the Initial Action Plan list. Thompson shared that the City Council will consider approval of the Plan at its November 13, 2018, meeting. Alan Feinstein moved to recommend City Council approve the plan; Marcus Young seconded. The motion passed unanimously.

E. NEW BUSINESS

1. Diversity & Inclusion in the City of Tualatin: This topic was postponed to a future meeting.

2. Glass Room Conceptual Study: Jerianne Thompson shared copies of a conceptual study completed by SRG Partnership to build a glass classroom / makerspace within the Library. The room would be approximately 735 square feet and would be located adjacent to the Teen Room. Thompson said the room would be used for a variety of programs for all age groups. To accommodate the room, several shelves would be removed, and the Library would shrink its collection size. Construction costs, if built in fiscal year 2020-2021, are estimated at \$455,000. Alan Feinstein expressed concern that the room might be underutilized. Laura Stewart suggested the room could bring new users to the Library. The committee agreed by consensus that the Library should pursue the project.

3. TLAC Officer Election: Laura Stewart nominated Thea Wood for another term as chair; Marcus Young seconded. Laura Stewart nominated Nicholas Schiller for another term as vice-chair; Alan Feinstein seconded. Both motions passed unanimously.

| 4 | Collection I honestly don't know. I have recently started going to the library and I am really impressed with it and the Washington County Cooperative Library Services. I suppose if I got nit picky, I could say that I often have to request the book I am interested in, but that is a simple process. | 10/23/2018 9:05 PM |

| 15 | Staff translated from Spanish: The staff does not give the impression of being comfortable in their jobs. I understand that the library is a place of study, research and analysis but I think that if the staff was more friendly with a smile at the entrance or at the exit would be an improvement for all the entity as well as providing help in a way that does not make you feel inferior, I give this information because there is a person that behaves in that way when someone asks a question or asks for clarification. After that experience I avoid any contact with him. I do not want to end this comment with a negative note, the positive thing is to provide this survey to improve some details but overall, I have to say that the Tualatin library is a success. | 10/19/2018 4:16 PM |
| 16 | No Suggestion I think it is fine the way it is. | 10/19/2018 2:58 PM |

| 18 | Collection Library Spaces The children's room could use improvement. It is not a very cute area and the way the books are arranged are not as good. The Wilsonville library is far superior in the children section | 10/19/2018 10:42 AM |
| 19 | Staff Tualatin Library and library staff should be celebrated. | 10/19/2018 10:03 AM |

| 107 | Other | Close it down | 10/10/2018 11:01 AM |
| 108 | Programs | I think Tualatin High School and the library should work more together to increase more high school students to go to the events the library host. | 10/10/2018 8:58 AM |
| 109 | WCCLS | I would like to see the become part of hoopla. | 10/10/2018 6:31 AM |

| 111 | No Suggestion | Nothing we love it | 10/9/2018 5:32 PM |
| 112 | Staff | I think it's a beautiful library. Over the years, I've seen a lot of challenges with those working there acting inconvenienced by questions or requests for help. They've misplaced returned items numerous times. I have made Tigard my home library because of it but would love to start using Tualatin more frequently, but those are deal breakers for me. | 10/9/2018 4:11 PM |
| 113 | Programs | Add additional classes/playtime for parents with young children, especially during the winter months. | 10/9/2018 3:12 PM |
| 114 | Library Spaces | More time should be allowed in study rooms than max of 2 hours a day....especially if all rooms are empty. I would understand if they were full or someone else had an appointment to use the study rooms but when empty and you get asked to leave....doesn't make much sense to me.... | 10/9/2018 3:07 PM |
| 115 | Programs | special children programs like music classes, etc. (Lake Oswego library does this) | 10/9/2018 12:25 PM |
| 116 | Collection | I think the collection is a bit wanting. I rarely find the books I want on the shelf. The only thing I do is reserve books online, wait for them to come from somewhere else, and then go in and pick them up. Disappointing that other branches seem to have better selection. | 10/9/2018 11:49 AM |

| 126 | Programs | More events and classes | 10/8/2018 4:22 PM |
| 127 | Other WCCLS | I would love a more user-friendly online account platform. The one now isn't terrible, but I think there is opportunity for improvement. I imagine that the platform is something you use through the county though, so possibly not an improvement you could make in-house. Also, would it be possible for the library to have your own website? Using the city's format isn't the easiest to navigate. Since I have been using it for a few years, I understand. But for people who maybe use computers less often, it is rather confusing. The Wilsonville Library website is really nice if you think you could have something similar? Just ideas in the digital world, but in the library itself you do a great job. Thank you for providing such a valuable service to the community! | 10/8/2018 4:11 PM |
| 128 | Library Spaces WCCLS | More fun stuff to do in the kids area. Add the zoo to the cultural pass. | 10/8/2018 3:20 PM |

| 130 | Library Spaces | I think everything is great. Very happy with what is provided to the community. I love the kids section! | 10/8/2018 2:42 PM |
| 131 | Parking | Book drop is hard to navigate for the drive thru | 10/8/2018 2:40 PM |
| 132 | Collection | more copies of ebooks for new/popular titles | 10/8/2018 2:31 PM |
| 133 | Safety | Sometimes people who hang around and don't seem interested in books make me feel a little nervous to have my children with me. Like adult language in loud voices or a bit sinister looking. | 10/7/2018 8:56 PM |
| 134 | Library Spaces | Bring back the coffee shop that was in the lobby! | 10/7/2018 6:54 PM |
| 135 | No Suggestion | NA | 10/7/2018 5:16 PM |
| 136 | Collection | It would be helpful if the children's section had books organized by either title or author and not a mix because it makes it hard to find the book you're looking for. Also if the books for the season, holiday, time of year, etc could be pulled out to be the books displayed on the tops of the bookshelves, it would make it easier and more accessible for kids to read them. | 10/7/2018 3:08 PM |
| 137 | Tech | More self checkout computers! | 10/7/2018 1:39 PM |
| 138 | Hours | Open earlier. | 10/7/2018 10:03 AM |
| 139 | Collection Library Spaces | The shelving for new books is a difficult height to read the spines of the books-especially sideways--too low. | 10/6/2018 4:40 PM |
| 140 | Parking | Offer drop off (return) boxes around the Tualatin area. Maybe at local elementary or high schools. This would also help children return their books. No excuse not to have their books returned on time. Since traffic is almost always a headache here in Tualatin, offering return boxes around the city would assist with not having to drive directly to the library. | 10/6/2018 2:02 PM |
| 141 | Collection Marketing | Keep "updated" lists of recommended books for each genre. The lists now are not updated. | 10/6/2018 1:52 PM |

| 145 | Hours | The Tualatin Library is such an amazing place. I'm there 3-4 times a week. I'd say the only improvement would be to open at 12 on Sundays - 1pm is a little late and noon would be really convenient. Thanks for all that you do. | 10/6/2018 10:55 AM |

| 151 | Staff | Some staff members do not greet patrons or offer assistance while sitting up front or walking around | 10/5/2018 9:15 AM |
| 152 | Staff | I didn't want to mark library staff down as a "disagree"; 99% of staff are helpful, friendly, and willing to assist. The reason that I said disagree was that lately when I have come to pick up reserved books, either the cart is in the way and I can't access my holds. I never want to be rude and at one time I waited thinking they would notice, and they put all the books they had on the cart then looked at me and moved it. I couldn't figure out if I had done something wrong, or should I have just said "excuse me" and gotten to my reserves? After this I had 2 back to back (hasn't happened since) instances where the wrong holds were put in books I had in my name and I felt bad for the staff doing the checkouts b/c they had to go scramble and find my holds. | 10/5/2018 7:39 AM |

| 246 | Collection Library Spaces Parking Staff *Put the drive up drop box in the front parking lot. *Put the children's librarians in the children's section. I can rarely find a children's librarian unless it's Summer Reading Program time. In Wilsonville, they have several librarians in the children's section at any given time. I just need one. *Move the parenting books back to the children's section. It was very easy to browse the books and pick some up while the small children were playing. I don't even know where they are now, but I'm not keen on dragging my toddler to the adult section where there is nothing to distract him from pulling all the books off the shelves. *Do the stuffed animals get washed? They should. *The staff is generally friendly and helpful. When I can find them. Some really make the extra effort to find books my kid is requesting and that gives me the feeling that he is special, I imagine it gives him that feeling, too, and I appreciate that. | 10/1/2018 7:28 PM |
| 247 | Programs More cultural events for children ages 3 and up. The nutcracker ballet last year was amazing! My 5yr old son still talks about the beautiful dancing and costumes. Thank you! | 10/1/2018 7:27 PM |
| 248 | Staff Better checking of books for damage, I was charged for a new book because of of chewed cover. I have no pets or small children. But I was questioned if I was sure that the damage didn't happen at my home. I was insulted I am 82 but still very alert. I was very angry that I now have to check books before leaving the library or I might be charged. I request alot of books and wonder if they are checked when they come into Tualatin Llibrary. Because I was assured that this library checked their books. I am so careful with books. | 10/1/2018 6:26 PM |

| 282 | Library Spaces More quiet study places | 10/1/2018 2:38 PM |
| 283 | WCCLS I love the ease of requesting, renewing, and searching for books, CD's, etc., using the WCC Library Services website ! Could texting be incorporated somehow for renewals, letting you know requested items are ready for pickup, etc. Just another way to connect. | 10/1/2018 2:33 PM |
| 284 | Collection More children's educational DVDs, please :) | 10/1/2018 2:30 PM |
| 285 | Parking Making more parking spaces because it is very different to find a parking space when I want to bring my children to the library. | 10/1/2018 2:20 PM |
| 286 | WCCLS Provide an option to mail my books to me and then have me mail them back. | 10/1/2018 2:19 PM |

| 293 | Marketing Programs A forum either online or at a meeting where people can get together and talk about books. Maybe even a book club! I think a monthly newsletter (email) would be great as I have missed events that haven't been widely publicized. | 10/1/2018 2:00 PM |
| 294 | Library Spaces When using the computers to search for books it would be helpful to be able to place books, purse, etc down | 10/1/2018 1:52 PM |
| 295 | Library Spaces Programs Community Garden - Educating the kids how to grow, prepare and love vegetables. Know where our food is coming from. | 10/1/2018 1:45 PM |

| 298 | WCCLS Allow for text notifications or something similar (the email stuff is somewhat weak) when books are about to be due (or at least on the due day). Other than that, you guys are doing a pretty amazing job in my eyes. | 10/1/2018 1:40 PM |

| 303 | Programs more adult programming. | 10/1/2018 10:31 AM |
| 304 | WCCLS Make more books available electronically. For many of us, that is the preferred reading method now. | 10/1/2018 6:02 AM |
| 305 | Hours The hours are limited. | 9/30/2018 9:23 PM |
| 306 | Hours Longer Friday, Saturday, Sunday hours and open at 9:00 am everyday | 9/29/2018 4:24 PM |
| 307 | Marketing Programs Maybe an app that notifies of events? Sometimes my family misses out on things because we are so busy we missed reading the most recent E-mails. If a customizable app is just too much, maybe something as user-friendly as remind.com. You could have different options for people to sign up for such as teen library events, classes, etc. | 9/28/2018 8:07 PM |

| 262 | Outdoor Recreation Birding, hiking, wildflower viewing. Tualatin hasn't done a good job of valuing or preserving its natural resources. At one time, Tualatin could have partnered with the National Wildlife Refuge for birding events and nature experiences which would draw many visitors and bring outside money into our community. Hoards of people travel hundreds of miles to partake in -- for one example -- birding festivals. Google "Birding Festivals" to get an idea how many places are cashing in on the natural beauty and habitat they have not destroyed. Tualatin has allowed too much building in fragile areas, and I don't know if enough land can be reclaimed to provide the native habitat required to attract wildlife for a decent festival. Wildflower lands have been bulldozed to build concrete manufacturing buildings and warehouses. Yuk! I've lived here more than two decades, but I wouldn't consider moving to Tualatin now if I didn't already live here. | 10/1/2018 8:15 PM |

Tualatin Public Library Survey 2018

|----|---|---------------------|
| 29 | Positive My favorite part about Tualatin is being eligible for cards in Clark Co, WA, Multnomah, Washington, & Clackamas counties. I love the libraries and I love having access to such a wide variety of books & activities. Have visited relatives in Maryland & California - makes me even happier to live here. | 10/16/2018 6:09 PM |
| 30 | Thanks! | 10/16/2018 5:56 PM |
| 31 | Negative Would like to see traffic improved in Tualatin. I moved here a year ago and it's only gotten worse. The light patterns need to be updated (many are inefficient and don't make sense) - a basic light survey of the downtown Tualatin area would fix a lot of problems. I think a beginner set them up initially, for instance only a 5 second cycle turning left on to Boones Ferry from Tual-Sherwood road when cars are fully backed up. There should be a minimum 15 second cycle when cars are lined all the way back. | 10/16/2018 10:59 AM |

| 51 | Positive Suggestion I love the library and love to see the new and older books displayed when I come in. It's a wonderful friendly place. I love the sunshine through all of the windows and the many comfortable seats. I don't know much about the private rooms. Are they for use by any of us? Could we gather friends and craft there or have a book club meeting? | 10/13/2018 9:18 PM |
| 52 | Positive The Tualatin Library is my go-to place to hang out, study, or find a good book to read! | 10/13/2018 6:15 PM |
| 53 | Positive This is my favorite library. I love it. | 10/11/2018 8:49 PM |
| 54 | Negative Positive I wish the city would do something about the cougar in the park here. It would be nice to be able to walk there again. I have enjoyed the books you put out on display and learned how to cook healthier with one I found on display on the shelf near the magazines. I think it was called worlds healthiest foods, or something like that the author is George Mateljan.. sorry if I spelled it wrong. I enjoyed the survey very much. thank you! | 10/11/2018 7:20 PM |
| 55 | Positive Keep up the good work. I would be lost without our library. Reading is my passion and the books from the Friends of the Library always introduce me to new authors for just 50 cents or \$1.00 ! I love that . | 10/11/2018 7:11 PM |

| 74 | Negative Suggestion I think making the front of the library feel safer is key as well. It's become a place for homeless to get off the bus and congregate near the entrance, it needs to be safer for families to come & go. | 10/9/2018 4:18 PM |

| 188 | Positive I cannot speak highly enough about this library. My daughter and I come here several times a week. We get books, music & video games here. We participate in the after school programs like art and Legos. She loves the summer reading program and special events like the Oregon Bird Man. My daughter loves reading because we can get books on all characters/subjects she wants - not limited to the school's curriculum. She has loved coming here since she was a baby. Now she is in second grade and one of the best readers in her class of 30+ kids. The staff is always welcoming and competent. Thank you Tualatin library staff! | 10/1/2018 2:57 PM |
| 189 | Positive I thoroughly enjoy using the Washington County Cooperative Library Services. Very easy to use, friendly, helpful people there as well for questions. A large supply of current magazines and informative circulations. Love it ! | 10/1/2018 2:40 PM |

| 197 | Positive Great Library! | 10/1/2018 2:04 PM |
| 198 | Positive I love the co-op part of the library, it has allowed me to increase my books per year aim. I'm so happy to have joined! | 10/1/2018 2:03 PM |
| 199 | Suggestion I'd like to go to concerts but getting into Portland on the weekend via bus or train is impossible - I had to take my bike to Tigard Transit Center and take a bus from there, hoping to catch the night bus in time and then cycle back. I hope everything will get better with the new station at Bridgeport. Speaking of, the parking lot at the station could use another/additional entrance for pedestrians to reach the traffic light which is next to bridge. I am not sure why the parking lot is closed on that side and you are forced to walk around the whole parking lot. If people are supposed to move more the city can encourage short walking distances rather than annoying shutoffs. | 10/1/2018 2:02 PM |

| 207 | Suggestion It would be great to have more foreign language instruction in the area, especially Spanish. The library would be a good location for this. | 10/1/2018 1:06 PM |
| 208 | Positive Thanks for all you do. The teen room in particular has been great for my family. | 10/1/2018 6:06 AM |

| 210 | Positive Suggestion Much beloved, this library is the living room of the community; it is a sanctuary; as a result, the community takes special care to ensure its continuing success. Providing more resources such as space, money for special events/programming, study rooms, computers and seating would be incredible. Especially, I think each of the library staff needs a significant raise in pay. (No, I don't work for the Library.) | 9/29/2018 4:38 PM |
| 211 | Positive Out of all the libraries I've used in more than 15 states, I would rate your library system in the top 5! | 9/28/2018 8:09 PM |
