TUALATIN LIBRARY ADVISORY COMMITTEE MINUTES

June 1, 2021

Present: Alan Feinstein, Kaia Gill, Dana Paulino, Nicholas Schiller, Thea Wood, Marcus Young

Absent: Oksana Davletshina

Public: Beth Dittman, TPARK Chair

Staff: Jerianne Thompson, Library Director
Sarah Jesudason, Public Services Supervisor

A. CALL TO ORDER

Thea Wood called the meeting to order at 6:02 PM.

B. APPROVAL OF MINUTES

Nicholas Schiller moved and Alan Feinstein seconded that the May meeting minutes be approved as written; approved by consensus.

C. COMMUNICATIONS

1. Chair: None.

2. Staff: Jerianne Thompson reported the Library has promoted Kit Lorelied to STEAM Librarian (Librarian II). A Parks Utility Fee will appear on utility statements starting in July; the funds raised will help address deferred maintenance projects in the parks. The City is hiding blown-glass orbs in honor of pollinator week. Thompson shared recent statistics.

3. Teen Library Committee: Kaia Gill reported that TLC's Future Days program series was a success. The committee is assisting with Summer Reading programs for teens.

4. Public: None.

D. OLD BUSINESS

1. Library Operations & Makerspace Update: Jerianne Thompson provided an update on library operations and construction of the makerspace. Library management is currently planning for reopening for limited browsing after the makerspace construction is complete, which is expected in early June.

2. Meeting Room Use Policy: Jerianne Thompson shared revisions to the Meeting Room Use Policy, based on discussion at the May meeting. Alan Feinstein moved to recommend approval of the policy; Marcus Young seconded. The motion passed unanimously.

E. NEW BUSINESS

1. Land Acknowledgement: TPARK Chair Beth Dittman reported that she is forming a working group to create a land acknowledgement for City use. A land acknowledgement is a formal statement that opens events and gatherings by acknowledging the traditional Indigenous inhabitants of that land. The discussion began with TPARK and has become a charge from the City Council; the goal is to create a statement draft by August. Nicholas Schiller volunteered to represent TLAC on the working group.

2. Summer Reading Program: Sarah Jesudason shared details about the 2021 Summer Reading Program, which started today. This year, readers are challenged to complete a bingo card with different categories of reading and activities. In July or August, readers can trade their completed bingo card for grand prize entries and free books (one for adults, two for children and teens). While some programs will continue to be held virtually, the Library will feature weekly storytimes in the parks and weekly science experiences on the Library plaza and at Tualatin Elementary (a free lunch site). The Library will also serve as a free lunch site for the summer.

3. E-books: Sarah Jesudason shared statistics about the growth of e-books throughout WCCLS. During the COVID-19 pandemic, WCCLS experienced an exponential growth in new users, with about 29,000 total e-book users countywide. The e-book and downloadable audiobook collection has nearly doubled in size since 2019. Among the additions has been more Spanish-language titles.

F. FUTURE AGENDA ITEMS

1. Makerspace Use Policy

G. COMMUNICATIONS FROM COMMITTEE MEMBERS

1. Members: None.

H. ADJOURNMENT

Meeting was adjourned at 7:04 PM.

LIBRARY POLICY

CITY OF TUALATIN

MAKERSPACE USE POLICY

POLICY: Tualatin Public Library provides a makerspace to support its mission of empowering and enriching our community through learning, discovery, and interaction. To promote creativity, innovation, and technology education.

RULES:

Makerspace equipment may only be used for lawful purposes. The public is prohibited from using makerspace equipment to create material that is:

- Prohibited by local, state, or federal law;
- Unsafe, harmful, dangerous, or poses an immediate threat to the wellbeing of others;
- Obscene or in violation of the Library Rules;
- In violation of another's intellectual property rights. For example, the equipment may not be used to produce material that is subject to copyright, patent, or trademark protection.

Patrons age 18 and up may use the makerspace independently. Patrons age 14 and under must be supervised by an adult caregiver at all times; patrons age 15-17 must be supervised by an adult. Exceptions may be made for some Library events, with parental consent. Users must sign the Makerspace User Agreement & Liability Waiver before using the makerspace. Users age 17 and under must have a parent or legal guardian sign the agreement on their behalf.

Some equipment requires safety and training certification before use. Patrons may not use this equipment until training and certification has been completed.

When using a tool or equipment that does not require specific training, the patron certifies that they are capable of using that tool or equipment in a safe and proper manner and must follow the safety guidelines listed on the equipment's usage sheet.

Only library-provided or library-approved materials may be used in makerspace equipment. There may be a charge for use of some materials and supplies used by some makerspace equipment. Patrons are responsible for all materials costs associated with all products, regardless of completion, satisfaction, or error.

Tualatin Library is not responsible if a project is destroyed, does not print correctly, or does not work. Patrons understand that Tualatin Library is not responsible for any manufacturing defects

or the quality of workmanship of any of the tools, materials, or equipment supplied by the library.

If any equipment begins to act unsafe or incorrectly, the patron must immediately discontinue use and notify library staff. If you notice any damage to the equipment, notify library staff. Patrons should report to library staff any equipment in need of repair, any accident that occurs, or if they witness unsafe behavior.

Items used in the makerspace are to be returned in the same condition as they were issued, barring normal wear and tear. Patrons agree to pay for the loss or damage to any items due to misuse or non-compliance with specified instructions

Some equipment located in the makerspace may contain aspects, parts, or components that will cause injury to the user if used improperly. Users agree to release and hold the Tualatin Public Library and the City of Tualatin harmless from any claims for personal injury, property damage, or any other loss in connection with the use of the makerspace, including the equipment, tools, and materials therein.

Makerspace equipment is intended for educational, entertainment, and prototyping purposes. The library does not provide access to equipment for the production or sale of goods.

Scheduled library programs have priority, followed by patrons who have made a reservation. If the room or its equipment is not reserved, it may be made available on a first come, first served basis to patrons who have completed certification to use the equipment.

Tualatin Library reserves the right to deny makerspace access if a patron violates the makerspace policy or any other library policy, or for misuse of the space.

APPROVAL: This policy is approved by Tualatin Library Advisory Committee xxxx, 20--.

Makerspace User Agreement & Liability Waiver for Adults

Please read this form carefully and be aware that by your participation in this program/activity, you are expressly assuming risk and legal liability and waiving and releasing all claims for injuries. By signing this document, you agree to follow all Tualatin Library Makerspace policies and rules.

Waiver of Liability

I recognize and acknowledge that there are certain risks of physical injury and property by participating in the Tualatin Library Makerspace. I agree to assume the full risk of any injuries, including loss of life, personal injuries, property damages, and expenses, which I may sustain as a result of participating in any and all activities connected with or associated with the Tualatin Library Makerspace.
