THIS GRANT PROGRAM AGREEMENT, hereinafter referred to as "Agreement" is made and entered into by and between the STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "ODOT," and the _____, acting by and through its _____, hereinafter referred to as "Recipient," hereinafter individually referred to as the "Party" and collectively referred to as the "Parties."

RECITALS

1. By the authority granted in Oregon Revised Statute (ORS) 190.110, 366.572, and 366.576, state agencies may enter into agreements with counties, cities, and units of local government for the performance of any or all functions and activities that a party to the agreement, its officers, or agents have the authority to perform.
2. Pursuant to ORS 367.080 through 367.086, there is established the Multimodal Transportation Fund, separate and distinct from the General Fund, allowing for the issuance of lottery bonds for the purpose of financing grants and loans to fund Transportation Projects to public bodies and private entities that involve air, marine, rail or public transit.
3. The Multimodal Transportation Fund Program began through *ConnectOregon*, a one hundred million dollar (\$100,000,000) lottery-bond-based initiative approved by the Oregon Legislative Assembly in 2005 (Oregon Laws 2005, Chapter 816), to invest in air, rail, public transit, and marine transportation projects to ensure Oregon's transportation system is strong, diverse and efficient. The Oregon Legislative Assembly added an additional one hundred million dollars (\$100,000,000) in 2007 (Oregon Laws 2007, Chapter 859), one hundred million dollars (\$100,000,000) in 2009 (Oregon Laws 2009, Chapter 865 – HB 2001), and forty million dollars (\$40,000,000) in 2011 (Oregon Laws 2011, Chapter 624, HB 5036. The Multimodal Transportation Fund Program is focused on improving the connections between air, rail, marine and transit modes of transportation to reduce transportation costs to businesses, remove key bottlenecks, and increase connectivity.
4. The receipt and use of Multimodal Transportation Funds and the execution of this Agreement by Recipient are subject to conditions imposed by ORS 367.080 through 367.086 and Oregon Administrative Rule (OAR) Chapter 731, Division 35.

Recipient/ODOT
Agreement No.

5. The Oregon Transportation Commission approved the projects to be funded under the Multimodal Transportation Fund Program at its August 2012 meeting. The Oregon Transportation Commission has set specific conditions on all approved projects and the inability to meet these Oregon Transportation Commission conditions may result in a loss of Project funding. Final approval for Project is subject to meeting all the Oregon Transportation Commission conditions as stated below.
6. Safety is of paramount concern to ODOT. ODOT encourages recipients of *ConnectOregon* grant funds to have safety as a high priority for all phases of work.
