### Connection

Sense of community and belonging; feeling that one matters; commitment to one another.

- Experiences
- Celebrates community

### Timeless

Considers the past, present and future; has relevance for generations; can change over time; remains adaptable.

- Peaceful conflict resolution

### Engagement

Captures attention and promotes active interaction with visitors.

- Space for events & gatherings
- Space for benches, picnic tables & trails
- Encourages conversation & storytelling
- Space for active recreation

Outreach responses gathered from the community also gave clear guidance on who and what the memorial is not. Public comments stated that the Veterans Memorial **should not**:

- Emphasize war or glorify violence in any manner and should focus on service and positive messaging.
- Be focused on providing large amounts of information, but should focus on being an inclusive space, welcoming.

Now we need your input to determine how the Veterans Memorial key themes and objectives shape the site design!
