City of Tualatin

## CITY OF TUALATIN Staff Report

**TO:** Honorable Mayor and Members of the City Council  
**THROUGH:** Sherilyn Lombos, City Manager  
**FROM:** Megan George, Deputy City Manager  
**DATE:** June 26, 2023

---

### **SUBJECT:**

Consideration of Ordinance No. 1475-23 Prohibiting and Regulating Camping in the City of Tualatin

### **RECOMMENDATION:**

Staff recommends the City Council approve Ordinance No. 1475-23 prohibiting and regulating camping in the City of Tualatin.

### **EXECUTIVE SUMMARY:**

Staff reviewed background information and a draft ordinance with the City Council during the work session meeting on June 12, 2023. During that meeting, the City Council directed staff to return on June 26, 2023, with an updated version of the ordinance. Desired updates included:

- Prohibiting camping in “Wetland Protected Areas”; and
- Prohibiting camping within 10 feet of another campsite.

Those changes have been incorporated into Ordinance No. 1475-23. A summary of the time, place, and manner regulations is included below.

#### Time

- Camping prohibited between 7am and 7pm.

#### Place

Camping prohibited in:

- City-owned or maintained parking lots.
- Within 500 feet of schools, freeway entrances/exits.
- Within 20 feet of a building.
- Natural Resource Protection Overlay, Wetland Protected Areas, Natural Areas, greenways, and landscaped areas.
- Public right-of-way and railroad right-of-way.
- Municipal grounds and the Library Plaza.
- City Parks.

#### Manner

- May not accumulate, discard, or leave behind trash, etc.
- May not dig, excavate, erect/install fixtures, harm vegetation.
- May not obstruct or attach camp materials to public infrastructure or private property structures.
- Campsite is limited to 12x12 feet and may not be within 10 feet of another campsite.
- No unauthorized connections to electrical outlets or other utilities.
- May not start or maintain a fire.
- May not create a physical impairment to emergency ingress or egress.

**BACKGROUND:**

Two recent decisions out of the Ninth Circuit Court of Appeals (*Martin v. Boise* and *Johnson v. City of Grants Pass*) held that a governmental entity cannot “criminalize conduct that is an unavoidable consequence of being homeless – namely sitting, lying, or sleeping” under the Eighth Amendment to the Constitution. In addition, individuals similarly must be permitted to take minimal measures to keep warm and dry while sleeping.

In 2021, the Oregon Legislature passed HB 3115 (codified as ORS 195.530), which requires any regulation of sitting, lying, sleeping, or keeping warm and dry outdoors on public property that is open to the public to be objectively reasonable as to time, place, and manner prior to July 1, 2023.

Tualatin Municipal Code Chapter 6-12-030 states “No person shall camp in or upon any sidewalk, street, alley, lane, or public right-of-way, park or any other publicly owned property or under any bridge or viaduct, unless otherwise specifically authorized by this code or by declaration of the Mayor in emergency circumstances or authorized by a City permit for a special event.” Tualatin’s ordinance does not comply with HB 3115.

Homelessness is a significant issue affecting many communities in Oregon, including Tualatin. This update to Tualatin’s camping ordinance is narrow and does not address many related issues. Staff will continue to coordinate with regional partners and service providers on issues related to provision of services, shelter, and long-term housing opportunities, as the ultimate goal is to transition people into stable housing.

In drafting the attached ordinance, staff prioritized:

- Compliance with HB 3115;
- Providing clarity to City staff implementing and enforcing the time, place, and manner regulations;
- Consistency, where possible, with nearby jurisdictions; and
- Balancing the intended use of properties with compassion for people experiencing homelessness.

**OUTCOMES OF DECISION:**

Upon adoption of Ordinance No. 1475-23, Tualatin Municipal Code Chapter 6-12-030 will be immediately repealed and replaced and Tualatin Municipal Code Chapter 6-12-010 will be amended. These steps will bring the City of Tualatin into compliance with HB 3115.

Following adoption of the ordinance, staff will begin implementation, which includes development of public information materials and training for staff.

**FINANCIAL IMPLICATIONS:**

City staff, particularly in the Police Department and Parks Maintenance Division, currently engage

with people camping on public property on a day-to-day basis. At this time, we do not expect a significant increase to workload related to enforcement of time, place, and manner restrictions.

Related to clean-up of established campsites, earlier this year, the City entered into an Intergovernmental Agreement with Metro for “Regional Illegal Dumping (RID) Patrol”. Under this agreement, Metro is responsible for cleaning up established campsites and all costs incurred. In addition, the Police Department has already developed procedures to comply with HB 3124, passed by the Oregon Legislature in 2021. Under HB 3124, property removed from an established campsite must be managed in specific ways.

# **Prohibition and Regulation of Camping on Public Property**

City Council Meeting | June 26, 2023

# Outline

- ▲ Background
- ▲ Ordinance No. 1475-23
- ▲ Next Steps

# Background

---

# Case Law

- **Martin v. Boise**
  - Cities cannot punish a person who is experiencing homelessness for sitting, sleeping, or lying on public property when that person has no place else to go;
  - Cities are not required to build or provide shelters for persons experiencing homelessness;
  - Cities can continue to impose traditional sit, sleep, and lie prohibitions and regulations on persons who do have access to shelter; and
  - Cities are allowed to build or provide shelters for persons experiencing homelessness.
- **Johnson v. City of Grants Pass**
  - Whether a city's prohibition is a civil or criminal violation is irrelevant. If the prohibition punishes an unavoidable consequence of one's status as a person experiencing homelessness, then the prohibition, regardless of its form, is unconstitutional;
  - Persons experiencing homelessness who must sleep outside are entitled to take necessary minimal measures to keep themselves warm and dry while they are sleeping; and
  - The case defined when someone does not have access to shelter.

# Oregon Law: HB 3115

- Any city or county law regulating the acts of sitting, lying, sleeping or keeping warm and dry outside on public property must be “objectively reasonable” based on the totality of the circumstances as applied to all stakeholders, including persons experiencing homelessness.
- Deadline of July 1, 2023.

# Tualatin's Current Ordinance

## **Tualatin Municipal Code Chapter 6-12-030**
