

- Add an on-street walking loop on Siletz, Willapa, and Ochoco.
- Consider picnic shelter and restrooms.
- Update park irrigation and drainage system.
- Replace amenities and facilities at end of lifecycle.

Stoneridge Park (E5)

Stoneridge Park is a quarter-acre park that provides shaded play space in a residential neighborhood in east Tualatin. Site recommendations for Stoneridge Park include making the space more relevant to the surrounding community, providing family gathering space, maintaining safety and sightlines, and activating the site to connect nearby neighbors, families, and children to the park.

- Work with a community-based organization and the Diversity Task Force to conduct a bilingual design process with nearby neighbors to design and implement a “parque” or plaza.
- Continue coordinating with the community-based organization and Library Department on programming and stewarding the site to create a new use pattern.
- Replace amenities and facilities at end of lifecycle.

Tualatin Commons (E6)

Tualatin Commons is located in the heart of city and is the result of a public/private partnership that began in the early 1990s, with a major redevelopment of downtown. The Commons will continue to be the city’s prime urban gathering spot for city celebrations and special events. Site recommendations for the site focus on overall reinvestment, enhancing the fountain, and maintaining to the original design standards.

- Aerate the lake or improve water circulation to upgrade water quality.
- Renovate or replace the surface, system, plumbing, and spray heads at fountain.
- Renovate, improve, and install additional restrooms and storage space.
- Consider addition of non-slip surfacing to improve pedestrian safety.
- Replace amenities and facilities at end of lifecycle.

Tualatin Commons Park (E7)

Tualatin Commons Park is a small gateway located near Interstate 5 along Nyberg Road. The park provides art and passive opportunities. Site recommendations for Tualatin Commons Park focus on maintenance, safety, and adding new touches that enhance its function as a visible gateway.

- Improve sight lines into park.
- Improve site drainage.

- Consider site and/or field lighting to increase hours of use and play.
- Add small picnic shelter and restroom at north end of park.
- Add wood deck observation area along Tualatin River.
- Add historical/interpretive signs specific to the site.
- Consider adding an off-leash dog park (fenced or buffered from habitat areas and surrounding uses).
- Consider adding community gardens.
- Consider adding disc golf.
- Consider a passive use area around the pond for respite, exploration, and art and nature appreciation that includes native plantings, grouped and individual seating, interpretive and thematic art, pollinator patches, display gardens, integrated nature play elements and spaces, and viewpoints.
- Replace concrete planters.
- Add subsurface drainage and irrigation to north field and convert to four youth soccer fields.
- Consider replacing lawn areas with no-mow natives to reduce maintenance.
- Add wayfinding and distance signage to different destinations.

Stoneridge Park

- Replace the play equipment and surfacing with thematic play elements consistent with the site concept.
- Add raised community garden beds (if enough sunshine).
- Add seating, tables, or a picnic shelter to support family gatherings.
- Provide adjacent residential uses more privacy from the park.

Tualatin Commons

- Install decorative lighting in trees.

Tualatin Community Park

- Identify a design theme for the park.
- Improve entry, circulation, and parking to address vehicular and pedestrian access into and within park.
- Consider renovation of the Juanita Pohl Center and the consolidation of buildings into a multigenerational community recreation center. If a community recreation center is not viable, follow the recreation center business and operations plan/site master plan recommendations regarding the renovation of existing special use buildings.
- Leverage indoor/outdoor programming opportunities associated with building improvements. Consider a small outdoor amphitheater in association with indoor performance and program space; consider low impact activities such as bocce and shuffleboard with shaded group seating adjacent to the Juanita Pohl Center.
- Resolve the use conflicts at the ballfield, rail trestle, river, adjacent uses, and proximity to parking with possible relocation of field.
- Replace field lighting with LEDs to minimize maintenance and increase hours of play, and add field lights to the north field next to the dog park.
