General Information and Regulations

Facility Use Permit

All reservations require that a City of Tualatin Facility Use Permit application be completed and fees paid at the time of application.

Phone Reservations

No telephone reservations will be accepted.

Special Use Permit

A Special Use Permit application must be submitted and approved by the Community Services Director or Parks and Recreation Manager for any commercial use, fundraising activity, festival or special event, day camp or sports-related camp using parks and recreation facilities. Special Use Permit fees are established by the Community Services Director.

Alcohol Use

It shall be unlawful for any person to consume alcohol, to possess an open container holding alcohol, or to open a container holding alcohol while in any park, except pursuant to a group alcohol facility rental and alcohol permit issued by the Community Services Department and in accordance with terms and conditions attached to such permit.

Signs/Decorations

Any decorations used within the rental area must be removed at the conclusion of the rental period. Signs, other than those within the rental area, are not permitted. The area must be thoroughly cleaned of all debris or it may determine future use.

Amplified Sound

Radios or any sound amplification equipment must not be operated so as to be plainly audible at a distance of fifty (50) feet or more. (Use of a public address system or amplifying equipment is allowed by special permit only).

Park Closure

The park closes at dusk (except tennis courts, the south sports field for night games, indoor facilities, basketball and skate park).

Cancellations/Reschedules

- a. The City reserves the right to cancel any facility use reservation. A full refund will be given when the Community Services Department has canceled a reservation and a reschedule date cannot be accommodated.
- b. When a reserving group cancels or reschedules 14 days or more before a rental date, the full rental fee and any deposit will be refunded, less a \$10 handling fee.
- c. When a reserving group cancels or reschedules less than 14 days before a rental date, no refund of the rental fee will be given unless the facility is re-rented. If the facility is re-rented, the full rental fee and any deposit will be refunded, less a \$10 handling fee.
- d. No refunds will be issued for unused reservations, except as provided above.

PICNIC SHELTERS

Availability

Picnic shelters are open all year and available from April 1 through October 31 for reservation.

Between March 1 and March 24, advance reservation requests will be taken for use of the picnic shelters between April 1 and October 31. After April 1, reservations will be taken on a first-come, first-serve basis.

Advance Reservation Procedure

1. Complete the Facility Use Permit application, listing a first, and second choice of dates for a picnic shelter reservation.
2. Applications can be submitted by mail or in person by March 24, at the Community Services Department Administration Office.
3. Payment of fees is required at the time the permit application is submitted.
4. Upon receipt, each application will be reviewed and classified in accordance with the classifications shown on page 4.
5. After the March 24 closing date, reservation requests will be randomly chosen from each group of classified requests, beginning with Class I, and officially entered in the reservation book. Reservations will then be made from the Class II group, and so on.
6. Notices of reservation confirmation will be sent to requesting groups no later than April 7.

Length of Reservation

Reservations will be taken for no less than one four-hour block of time. A reservation of more than one time block may be made for a single day by a single group. Those reserving more than one time block may use the interval between blocks at no additional charge. Available time blocks are: (1) 6:00 to 10:00 am; (2) 11:00 am to 3:00 pm; and (3) 4:00 to 8:00 pm.

Clean-Up

Additional costs incurred by the City due to abuse or excessive clean-up or repair, as determined and documented by the Community Services Department, shall be charged to the person who signs the permit application. Groups that hold an egg toss or balloon toss or use confetti, piñatas, or hay bales should pay special attention to clean-up efforts because these uses often result in excessive litter, and additional fees will be assessed if litter remains on the grounds.

Any group/individual renting a facility and found to have caused damage, neglected to leave the facility in an acceptable condition, or violated any park rule or condition of the Facility Use Permit, may be denied a future facility reservation for up to one year.

Sports Fields

Sports fields may be reserved for a maximum of two hours with a picnic shelter reservation, subject to availability. If available, an additional two-hour time block, to augment the original reservation period, may be scheduled no sooner than seven days prior to the reservation date. City-sponsored or co-sponsored activities and tournaments are exempted from the two-hour time period maximum.

Class 2: City Co-Sponsored

Activities co-sponsored by the City of Tualatin.

All other groups (including religious and political), organizations, and individuals are categorized by resident and non-resident for the purpose of determining fees.

A resident is defined as:

- A person who resides within the city limits. For wedding receptions, a resident is defined as the bride, groom, or parents thereof;
- A non-profit organization of which 50% or more of the members reside in the city;
- A business whose office is located within the city limits;
- Public agencies serving Tualatin;
- An employee of the City if they are a participant in a group wishing a reservation.
