Tualatin City Council Unity Statement

Tualatin is a diverse community, known for its excellent amenities, award winning parks, and unique shopping and dining experiences. Your Tualatin City Council is very proud to serve this community and cares deeply about the well-being of everyone.

The City of Tualatin strongly reaffirms our commitment to being a safe and welcoming community. We declare that harmful, hateful acts have no place in our city and we commit to maintaining a peaceful, safe, welcoming place in which to work, live, and play.

We encourage neighbors to reach out in kindness to one another, support the most vulnerable, discourage acts of hostility and hate, and foster our community by extending safety, support, and love to those around us. By extending acts of kindness as individuals, together we help those around us feel safe and build community trust.

We can all work together to promote unity.

FACILITY RENTALS

The City of Tualatin is your source for hosting celebrations and outings for any occasion. With six reservation locations — from meeting rooms to party spots — our indoor and outdoor spaces will help make your event extra special. City of Tualatin facilities offer unique amenities and customized packages to meet your needs. Call 503.691.3061 for more information.

Centrally located in Tualatin, the Juanita Pohl Center includes a meeting room and event rooms available for reservation. The two event rooms can be combined to accommodate large groups and feature a kitchen.

CITY COUNCIL MEETINGS
All City Council meetings are open to the public and provide the public the opportunity to comment on current agenda item or any topic that she or he deems important for the consideration of Council.
City Council Meetings are held the 2nd and 4th Monday at 7 pm at the Juanita Pohl Center (8513 SW Tualatin Rd.), unless otherwise noted. All agenda items are available for review in the Library, the City offices or online at www.tualatinoregon.gov/meetings.

CITY COUNCIL SETS VISION & PRIORITIES FOR THE FUTURE
Every two years, the City Council dedicates time to set policy priorities. This is an important exercise in strategic planning, and allows the Council to work closely with Executive staff to map out key projects that will be advanced in the coming years. The Tualatin 2030 vision statements focus on key themes that the Council will work to achieve. These include an inclusive and engaged community, a thriving economy, active gathering places, sustainable transportation, welcoming neighborhoods and protected natural resources. These vision statements guide the work of our city staff and our Council as projects move forward. These include:

- **City Facilities**
  The Council has a continued interest in supporting the needs of City staff for existing and future office space.

- **Communications**
  Communication with our community remains a top priority for our Council so that our residents, businesses and interested parties can maintain their engagement in what’s happening throughout Tualatin.

- **Diversity, Equity & Inclusion**
  As our community grows, it’s important that all voices and perspectives are heard and represented in every aspect of what we do.

- **Environment**
  Protecting & preserving our environment and natural resources.

- **Housing**
  Housing will be an important topic as the City moves forward with a housing needs analysis and considers policy alternatives.

- **Planning & Economic Development**
  Balancing growth and economic opportunity

- **Transportation**
  Working locally and regionally to address traffic congestion, safety, and access to transit.

CELEBRATE ART & CULTURE AT ¡VIVA TUALATIN!

SUNDAY MUSIC AROUND THE HEARTH

All ages  2pm

6/30 JASON ACHILLES
Musician and producer by day, NASA research scientist by night, Achilles bends sound through bass, keys and other instruments, layering them to achieve another kind of sonic experimentation. This will be informative, inspiring, and loud.

7/7 STUMPTOWN SWING
Stumptown Swing takes audiences back to 1920’s Paris, when gypsies with guitars, violins and upright basses made the leap from French musette to American “hot jazz” and kept Parisians dancing to this evocative new sound.

REPAIR FAIR

Ages 18+
Repair Fairs are events where volunteers with “fixing” skills help others fix broken items. The volunteers may be able to repair small appliances like blenders or coffee makers, jewelry, bikes or clothing that needs a new button or a zipper fix. Sign-up your items for repair here: bit.ly/2G37NrT. Please no gas-powered equipment, chainsaws or TVs.
Pre-registration does NOT guarantee a spot at the front of the line. The event is still first come, first serve. WAIT TIMES MAY VARY but be prepared for an hour or more. Want to volunteer to help at the event? Sign up at bit.ly/225bea7 or email repairfairoregon@gmail.com.

IBACH PARK PLAYGROUND IMPROVEMENTS
The first project following the new Parks and Recreation Master Plan is now underway, as updates to this award-winning playground are underway. This project is possible thanks to a Grant from the Oregon Parks and Recreation Department. The funds matched by the City will go to the rejuvenation of the safety surfacing and some play equipment. The beloved play pieces such as the bones, ferry and the swings will remain in place.

NEW EQUIPMENT UPDATES INCLUDE
• Wagon Train
• Hillside Slide
• Two Spring Toys
• Hillside Net Climber
• Playhouse
Fencing has been placed around the project, which will remain closed for the duration of the project. Other Park amenities will remain open, including major pathways. This project is weather dependent as the installation of the new safety surface requires 5 dry days of consecutive nice and stable temperatures. As a result the schedule may change due to conditions, but should be completed by the time children are out of school for summer break.

For the most current information about this project and to find out about a special ribbon cutting scheduled for June 15 to celebrate your improved park please visit www.tualatinoregon.gov/recreation/updates-announcements
WINTER 2018–2019 COMMUNICATIONS SURVEY IS COMPLETE

We heard from you and the results are in! Thank you very much to the 308 participants who took the time to complete our survey. We learned some very important information about how we communicate with the community, which will help us improve our connection with you.

We found the top three forms of communication preferred by the participants are the City website, the Tualatin Today E-newsletter and this Explore Tualatin Guide. We were happy to learn that well over half the participants find it easy to locate the information they need on the City’s website. And interestingly the information deemed most important to the survey respondents is Greenways and Trails, followed by Park Developments and Master Plan updates. To see the full results please visit www.tualatinoregon.gov/recreation/communications-survey.

ATFALATI PLAYGROUND RE-OPENS

As many community members know a portion of the Atfalati Park playground has been closed for maintenance upgrades. The eagerly anticipated new replacement parts were finally delivered in mid-March! At which time the dedicated parks maintenance staff begun rebuilding the playground equipment from the ground up in addition to their regular parks duties. The hope is the playground will be completely put back together by the end of April. Just in time for everyone get outside to enjoy their handy work as the weather continues to improve.

For more information please visit www.tualatinoregon.gov/recreation/updates-announcements

SUMMER CONSTRUCTION WORK AT JURGENS PARK

Clean Water Services will begin Phase 2 of the West Durham Basin Improvement Program in June 2019, which includes construction though Jurgens Park. The improvement program will replace aging interceptor pipes in order to improve and control waste water flow with larger more resilient pipes to increase sanitary sewer capacity. Increased truck traffic and trail detours can be expected though December 2019.

Clean Water Services will also be hosting events to share more information with the public about this project. Please join them for Coffee with a Contractor Wednesday, May 29 from 5:30-7pm in Jurgens park. For additional information on this event or about the project, please visit Clean Water Services project website: www.cleanwaterservices.org/about-us/projects/west-durham-basin-improvement-program
