Analysis and Findings

10835 SW Tualatin Road Annexation

Case #:	ANN 20-0002
Project:	10835 SW Tualatin Road Annexation
Location:	10835 SW Tualatin Road; Tax ID 2S115DD00800
Owner/Applicants:	Anna and Daniel Park

Introduction

A. Applicable Criteria

Annexations are reviewed under Tualatin Development Code (TDC) Chapter 33.010, *Annexations*. This code refers to Metro Code 3.09, *Local Government Boundary Changes*, and the applicable provisions of ORS Chapter 222, which also govern annexations.

B. Project Description

The property at 10835 SW Tualatin Road is a 0.41 acre parcel of unincorporated Washington County otherwise fully surrounded by the City of Tualatin. The owner-applicants intend to annex the property into the City of Tualatin to facilitate development of an improved single-family detached dwelling with full access to surrounding available utilities. The scope of this review is limited to the suitability of annexing the parcel into the City of Tualatin and other districts. No development is proposed as part of the request.

In conjunction with approval of the proposed annexation, the subject property are withdrawn from the Washington County Enhanced Sheriff Patrol District (ESPD) and Washington County Urban Road Maintenance District. The territory is already within the Clean Water Services District.

C. Site Description

The subject territory comprises 0.41 acres of relatively flat land, currently developed with a single-dwelling home dating from the 1930s and a detached garage. No public right-of-way is part of the subject territory to be annexed.

The territory is surrounded by detached single-family dwellings to the east, west, and north. To the south, across SW Tualatin Road, is industrial development in the Manufacturing Park and Light Manufacturing zones.

TDC Chapter 33, Applications and Approval Criteria**Section 33.010 Annexations**

To grant an annexation application, the Council must find:

(a) The territory to be annexed is within the Metro Urban Growth Boundary;

Finding:

As shown in Attachment B, the subject property is within the Metro Urban Growth Boundary and within Tualatin's Urban Planning Area. This standard is met.

(b) The owners of the territory to be annexed have petitioned to be annexed;

Finding:

As shown in Attachment A, the property owners have petitioned to have the territory annexed. This standard is met.

(c) The application conforms to the applicable criteria in Metro Code 3.09; and

Chapter 3.09 Local Government Boundary Changes**Chapter 3.09.050 Hearing and Decision Requirements for Decisions Other Than Expedited Decisions**

[...]

B. Not later than 15 days prior to the date set for a hearing the reviewing entity shall make available to the public a report that addresses the criteria identified in subsection (D) and includes the following information:

- 1. The extent to which urban services are available to serve the affected territory, including any extra territorial extensions of service;**

Finding:

The subject territory is a single parcel of 0.41 acres surrounded by developed residential and industrial land within the City of Tualatin. The Low Density Residential (RL) zone to be applied upon annexation would permit the creation of up to two

parcels, yielding two possible primary dwellings, which would constitute a minimal impact on an area with developed roadways and utilities. This standard is met.

2. Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party; and

Finding:

The proposed boundary change will withdraw the property from the Washington County Enhanced Sheriff Patrol District and the Washington County Urban Road Maintenance District. This standard is met.

3. The proposed effective date of the boundary change.

[...]

Finding:

The annexation of the subject territory is effective from the date the annexation is filed with the Oregon Secretary of State, as provided in ORS 222.180. This standard is met.

D. To approve a boundary change, the reviewing entity shall apply the criteria and consider the factors set forth in subsections (D) and (E) of section 3.09.045.

Finding:

These standards are addressed below.

3.09.045 Expedited Decisions

D. To approve a boundary change through an expedited process, the city shall:

1. Find that the change is consistent with expressly applicable provisions in:

a. Any applicable urban service agreement adopted pursuant to ORS 195.065;

Finding:

The Urban Planning Area Agreement between Washington County and the City of Tualatin acknowledges this property as part of the City of Tualatin's Urban Planning Area. As such, this agreement stipulates that urban services will generally be provided by the City upon annexation, except where the City holds intergovernmental agreements (IGAs) with other service providers.

The subject territory is already within, and would remain within, the Clean Water Services District, Tualatin Valley Fire and Rescue, TriMet, and the Tigard-Tualatin School District. The annexation would prompt withdrawal from the Washington

County Enhanced Sheriff Patrol District and the Washington County Urban Road Maintenance District. The annexation would not create any inconsistencies with any urban service agreements. This standard is met.

b. Any applicable annexation plan adopted pursuant to ORS 195.205;

Finding:

No applicable annexation plan exists for this area. This standard is not applicable.

c. Any applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) between the affected entity and a necessary party;

Finding:

No applicable cooperative planning agreement exists for this area. This standard is not applicable.

d. Any applicable public facility plan adopted pursuant to a statewide planning goal on public facilities and services;

Finding:

The City's Transportation System Plan (2014) and public facilities plans contained within Tualatin's Comprehensive Plan reflect the Urban Planning Area that contains the extent of this territory and plans for eventual annexation. This standard is met.

e. Any applicable comprehensive plan;

Finding:

The City of Tualatin's Comprehensive Plan contains the Community Plan Map 9-1, (Attachment B) showing this territory as part of the Urban Planning Area.

The provisions of the Comprehensive Plan that relate to annexations, found in TDC Chapter 4, Community Growth, are fully reflected in the criteria presented in the implementing sections of the TDC Chapter 33.010, Annexations, and Chapter 32.260, Annexation Procedures. This standard is met.

f. Any applicable concept plan; and

Finding:

This territory is within the Hazelbrook Planning Area as indicated in the Tualatin Community Plan, Chapter 9. Annexation of this parcel is consistent with the description of this planning area and future zoning. This standard is met.

2. Consider whether the boundary change would:

- a. Promote the timely, orderly and economic provision of public facilities and services;**
- b. Affect the quality and quantity of urban services; and**
- c. Eliminate or avoid unnecessary duplication of facilities or services.**

Finding:

Annexation of this parcel is consistent with timely, orderly, and economic provision of public facilities and services; all necessary supportive services are in place to support continued development on this small parcel. The extent of possible development have minimal to no impact on the ability of the City to continue providing urban services to this and surrounding property; new facilities and services will not be necessitated. Making use of these existing services in a largely developed area is highly supportive of the overall intent of this section.

Standards A through C are met.

E. A city may not annex territory that lies outside the UGB, except it may annex a lot or parcel that lies partially within and partially outside the UGB.

Finding:

The subject territory is wholly within the UGB. This standard is met.

(d) The application is consistent with applicable provisions of ORS Chapter 222.

ORS 222.111(1) When a proposal containing the terms of annexation is approved in the manner provided by the charter of the annexing city or by ORS 222.111 to 222.180 or 222.840 to 222.915, the boundaries of any city may be extended by the annexation of territory that is not within a city and that is contiguous to the city or separated from it only by a public right of way or a stream, bay, lake or other body of water. Such territory may lie either wholly or partially within or without the same county in which the city lies.”

Finding:

As shown on the Community Plan Map 9-1 (Attachment B), the subject property is not within a city and is contiguous to the City of Tualatin. This standard is met.

ORS 222.520(1) Whenever a part less than the entire area of a district named in ORS 222.510 becomes incorporated as or annexed to a city in accordance with law, the city may cause that part to be withdrawn from the district in the manner set forth in ORS 222.120 or at any time after such incorporation or annexation in the manner set forth in ORS 222.524. Until so withdrawn, the part of such a district incorporated or annexed into a city shall continue to be a part of the district.

Finding:

The subject properties are in the Washington County Enhanced Sheriff Patrol District and the Washington County Urban Road Maintenance District. As part of this annexation, the subject properties will be withdrawn from the Enhanced Sheriff Patrol District and the Urban Road Maintenance District. Police services will be provided by the City of Tualatin. Because the proposed boundary change is consistent with state and local law, this standard is met.

Conclusion and Recommendation:

Based on the application and the above analysis and findings, the proposed annexation complies with applicable Oregon Revised Statutes, Metro Code, and TDC. Accordingly, staff recommends City Council approval of File No. ANN 20-0002 and adoption of corresponding Ord. No. 1439-20.

Neighborhood Meeting Notes

Re: Annexation of 10835 SW Tualatin Rd, Tualatin, OR 97062

March 12, 2020 at 6:00pm

Juanita Pohl Center

In Attendance:

Anna Park, Mark Edwards, Kelly Gallagher, Mark Van Horn, Sue Hein, Chris Hein, Mike Ryan, Mike Hannegan, Tracy Hensley, Mollie Uselman, Stacy Shetler

Main Points Covered:

A brief introduction to Daniel and Anna and Family was made: Anna is a native Oregonian and Daniel is a long-time resident. They are currently Tualatin residents. Their children are students in Tualatin, one of whom will be attending nearby Hazelbrook Middle School next year.

Location: A map of the tax lot was shared, along with a description of the lot location north of Tualatin Road, and East of 109th Ave on the corner. Anna explained that this lot is currently in unincorporated Washington County, and annexation will be into the city of Tualatin. Zoning will become RL, residential low density.

Current site plan and future site plan: An aerial view including designations of the utility lines, and an image showing the lot shape and footprint of the existing structures were shown, and Anna showed where the shed, juniper and birch tree had been removed and the blackberries cut back. She indicated that asbestos abatement would begin on the old house soon. Two possible plans for the lot are being discussed, depending on certain factors. One is to build a new custom home on the site near where the old house is. The other possibility is to remodel the existing house. She explained that if new construction begins, then the Tualatin development code will be triggered, requiring a masonry wall along Tualatin Road, and the existing driveways will be closed with one driveway to the property installed along 109th Avenue. Required set-backs will be applied.

Comments and Questions:

Mollie Uselman, Mike Ryan, Mark Vanhorn, Sue Hein and Chris Hein all extended a warm welcome to the neighborhood. Mike Ryan inquired about the site plan for the property and if one or two homes would be constructed. Anna answered that the plan is only for one home on the property. Mark Edwards volunteered to help tear down the old existing fence. Mike Ryan offered painting and handyman services. It was discussed whether the middle school is in easy walking distance of the property and Mike Ryan said it was, with many kids passing by his house in the morning. One man who did not identify himself on the sign-in sheet, but who lives off of 109th Ave and who works for the Washington County building department, inquired about the sewer line location, future driveway location and masonry fence. The utility lines and access points were pointed out on the photo, and the Tualatin development code was discussed in relation to these changes. Mollie Uselman asked if our address would be changing once the driveway was relocated to 109th Ave and most people agreed that it would change.

MEASURE 37 & 49 WAIVER OF RIGHTS AND REMEDIES

Whereas, Daniel and Anna Arko ("Petitioner", including collectively all petitioners) has petitioned to the City of Tualatin ("City") to commence certain proceedings, i.e., annexation, planning district change, and/or plan text amendment for the following described real property,

See attached legal description

Whereas, under Ballot Measure 37 (effective December 2, 2004), as amended by Ballot Measure 49 (effective December 6, 2007), a property owner may seek just compensation or waiver of certain land use regulations if a public entity enacts or enforces the land use regulations after the property owner acquired the property; and

Whereas, Oregon electors or the Oregon Legislature may, in the future, enact further statutory or constitutional amendments relating to compensation for the impact of local regulations upon real property, under certain circumstances; and

Whereas, City does not wish to approve the Petitioner's requested proceedings if such approval could result in the owner or the owner's successors or assigns filing a claim for compensation for the land use regulations in effect upon the effective date of the proceedings or a claim seeking to require the City to waive its land use regulations, which are being newly imposed upon the property as a result of the Petitioner's requested proceedings; and

Whereas, Petitioner wishes to obtain the City's approval of Petitioner's requested proceedings and therefore agrees to eliminate the potential of claim for compensation or the right to seek waiver from the City's land use regulations existing as of the effective date of the proceedings.

Now, therefore, Petitioner warrants that the Petitioner executing this Waiver Agreement holds the full and complete present ownership or any interest therein in the property, and agrees as follows:

1. As inducement to the City to proceed with the following proceeding(s) affecting the subject real property: Annexation, planning district change, and/or plan text amendment which may include designation of the property as subject to additional applicable land use regulations and overlay zones and districts, which may include, but are not limited to the Mixed Use Commercial Overlay District, Industrial Business Park Overlay District, Flood Plain District, Wetlands Protection District, Greenway Protection Overlay District and Natural Areas, and/or design districts ("proceedings"), the undersigned Petitioner, on behalf of Petitioner, Petitioner's heirs, devisees, executors, administrators, successors and assigns, agrees and covenants to the City of Tualatin, its officers, agents, employees and assigns that the Petitioner hereby waives, releases and

forever discharges, and agrees that Petitioner shall be estopped from asserting any rights and remedies, actions, causes of action, suits, claims, liabilities, demands, and rights to waivers arising under or granted by any statutory or constitutional regulatory compensation or waiver provisions, including but not limited to Ballot Measure 37 (2004) and Ballot Measure 49 (2007) or otherwise enacted after the date of this proceeding which would create a right of claim for compensation or waiver from city land use regulations that exist upon the effective date of the proceeding and which, by the approval of the proceeding, are then applicable to the property.

2. This covenant, waiver, release, and discharge binds the undersigned's heirs, devisees, executors and administrators, successors in interests, and assigns. This covenant, waiver, release, and discharge will run with the land, and this instrument or a memorandum of it may be recorded in the official records of the County in which the subject real property is located. This instrument may be terminated upon the filing of a Notice of Termination of Waiver filed by the City of Tualatin.
3. If this instrument is given contemporaneous with a consent to future proceedings to be initiated by the City, Petitioner acknowledges that the proceedings may be initiated by the City of Tualatin at any time in the discretion of the City and that this waiver and release is applicable to any ordinances adopted prior to the effective date of the proceeding.
4. This document is executed of my own free will and without duress. I/we respectively acknowledge that I/we have been advised to obtain legal advice prior to the execution of this document, and that either I, or each of us respectively, have either obtained legal advice or have independently elected not to seek legal advice prior to the execution of this document, recognizing that this document may affect our legal rights and remedies.
