

NOTICE OF HEARING - CITY OF TUALATIN, OREGON

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Tualatin City Council at 7:00 p.m., Monday, November 24, 2025, at the Tualatin Service Center.

You are invited to attend and participate in the public hearing.

The City of Tualatin is proposing a Plan Text Amendment that would amend various chapters of the development code to implement state-mandated rulemaking known as Climate Friendly and Equitable Communities (CFEC) Walkable Design Standards under Oregon Administrative Rules (OAR) 660-012-0330. The rules are intended to promote pedestrian-oriented site design, connectivity, and compact development. Local File No. PTA 25-0002.

The public is invited to comment by e-mail, writing or by testifying at the hearing. Written comments can be made by email to planning@tualatin.gov or submitted at the hearing. Failure to raise an issue at the hearing or in writing or to provide sufficient specificity to afford the City Council an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals (LUBA). Legislative hearings begin with the Mayor opening the hearing, presentation of the staff report, public testimony, questions of staff or anyone who testified by Council, after which the Mayor closes the public hearing, and Council may then deliberate to a decision and a motion would be made to either *approve*, *deny*, or *continue* the public hearing. The time of individual testimony may be limited.

For those who would prefer to make verbal comment at the hearing, there are two options:

- **Zoom teleconference.** Instructions on how to provide comment will be provided during the meeting itself.
 - Full instructions and a current link are available at:

- **Attend in person at the Tualatin Service Center** at 10699 SW Herman Road in Tualatin

A staff report will be available seven days prior to the public hearing. This meeting and any materials being considered can be made accessible upon request.

To grant the amendment, Council must find the proposal meets the applicable criteria of the Oregon Statewide Planning Goals, Oregon Administrative Rules 660-012-0330, Metro Code, Tualatin Comprehensive Plan, and Tualatin Development Code Chapters 32 and 33.
