Our City, Our Principles

The City of Tualatin, population of over 27,500, is a vibrant community, conveniently located just 12 miles south of Portland and 30 miles north of Salem, the state capitol. Situated at the intersection of I5 and I205, Tualatin is a short distance to many adventures including skiing, snowboarding, sledding, wind-surfing, hiking and so much more.

Tualatin’s population is diverse, well-educated and involved in community and school activities. There are excellent educational opportunities available to residents through the Tigard-Tualatin School District and numerous colleges and universities within easy commuting distance.

In the most recent satisfaction survey, 90 percent of residents rated the overall quality of life in Tualatin as “excellent” or “good”. Residents enjoy community amenities such as award-winning parks, unique shopping and dining establishments and a low tax rate.

Tualatin City Manager, Sherilyn Lombos, implemented seven principles to help guide our organization in how we do our jobs. Those seven principles consist of operating in a non-bureaucratic way, being a customer service

expert, operating as a team, respecting those we come in contact with, empowering others, utilizing a one-city approach and problem solving for a solution.

As a department, we strive to take care of our community. Our members take pride in providing a service to our citizens, 24 hours a day, seven days a week, 365 days a year.

We respond to calls for service, enforce criminal and traffic laws, and engage in positive ways with members of the community. It is our goal to serve our citizens and make them feel safe and proud of the partnership we share with them in making Tualatin a wonderful place to call home.

It is our committment to continue to make our community and the safety of our residents the utmost priority. We will strive to work with city leaders to provide unwavering customer service and to ensure that Tualatin remains a safe and enjoyable place to work and live.

We are your police department. And we are proud to work as a team to keep the City safe while delivering quality customer service.

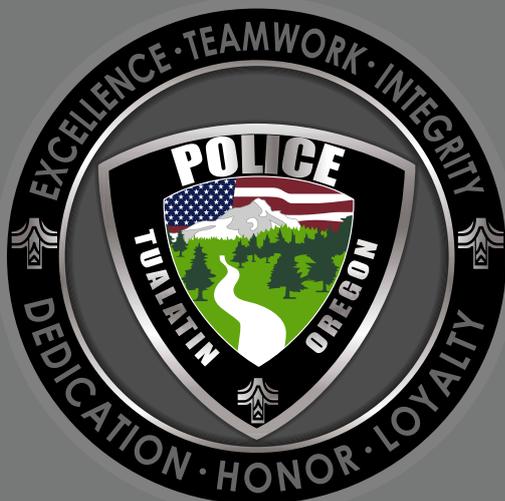

Our Values

WE ARE A PROFESSIONAL, PROGRESSIVE LAW ENFORCEMENT FAMILY WHOSE MEMBERS ARE OUR GREATEST ASSETS. WE STRIVE TO IMPROVE LIVABILITY FOR OUR CITIZENS THROUGH PUBLIC INTERACTION, DEDICATION, CUSTOMER SERVICE, AND PARTNERSHIPS WITH THE COMMUNITY. OUR FAMILY IS PROUD TO TAKE CARE OF YOURS.

Intersection Safety Cameras

The pie charts represent a breakdown of citations issued per intersection. They are categorized by zip code regions.

Intersection safety camera enforcement has shown to be a more effective and safe method of decreasing red light violations. Statistics have shown a decrease in red light violations and a significant decrease in injury crashes resulting from drivers running red lights when these cameras are installed.

The City of Tualatin began utilizing intersection safety cameras, also known as photo red light camera enforcement, in December 2010. The objective of the intersection safety cameras was to reduce traffic crashes at intersections, reduce the number of red light violations, change the behavior of drivers who travel through the City of Tualatin, reduce traffic congestion and improve officer safety.

Tualatin currently has two operational safety camera intersections. They are located at SW Tualatin-Sherwood Road at Avery Street and at SW Lower Boones Ferry Road at Bridgeport Road/72nd Street.

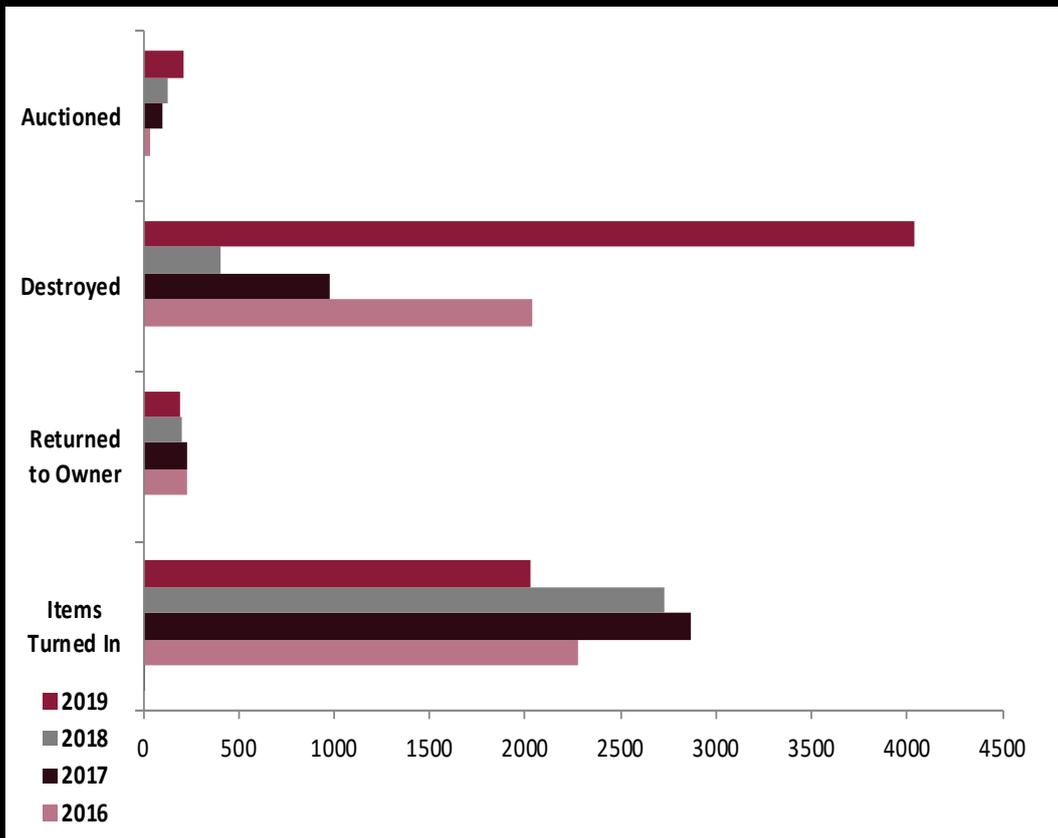

When a violation occurs and a camera image is captured, a citation is not automatically generated. An initial screening of the camera image is done by the intersection safety camera system company, Redflex Traffic Systems. If they feel a violation has potentially occurred, the image is sent to Tualatin Police Department for an officer to review and determine if an actual violation has occurred. An officer makes the final decision on whether a citation is issued and mailed to the registered owner.

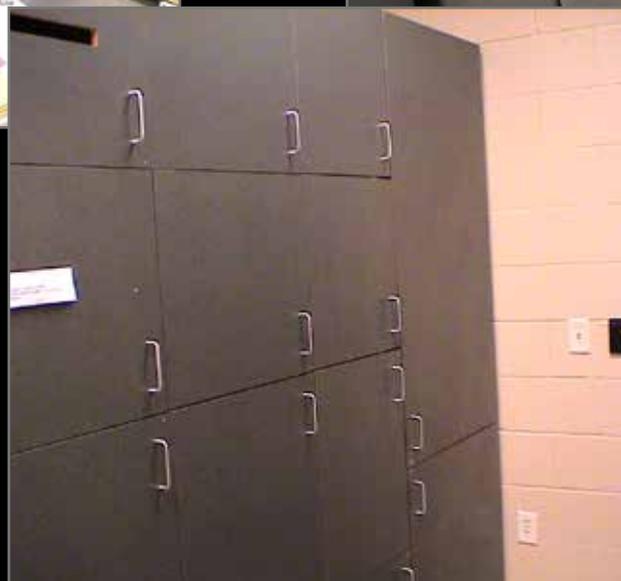

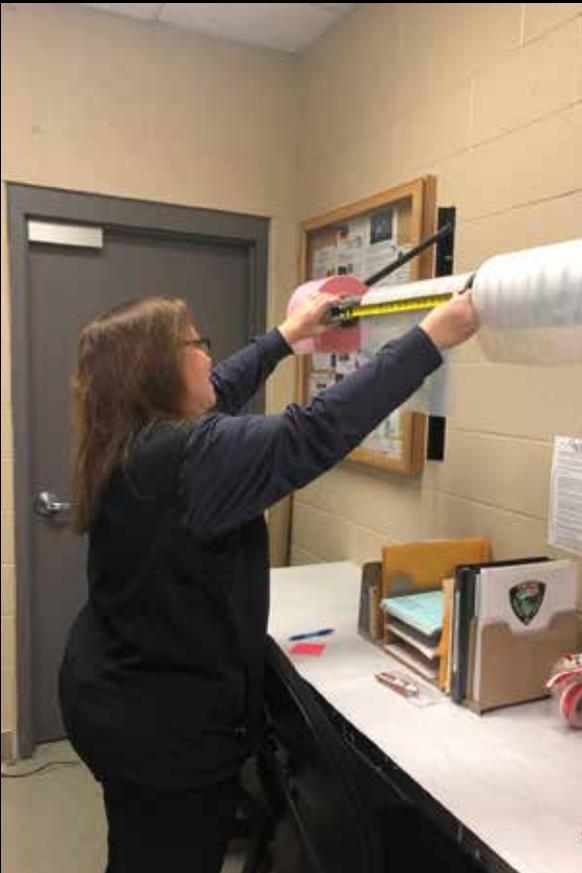

Property & Evidence

DURING THE 2019 CALENDAR YEAR, THE TUALATIN POLICE DEPARTMENT CONDUCTED A FULL AUDIT OF PROPERTY AND EVIDENCE, WHEREBY ALL ITEMS WERE DOCUMENTED AND ACCOUNTED FOR.

TOTAL PROPERTY & EVIDENCE ITEMS

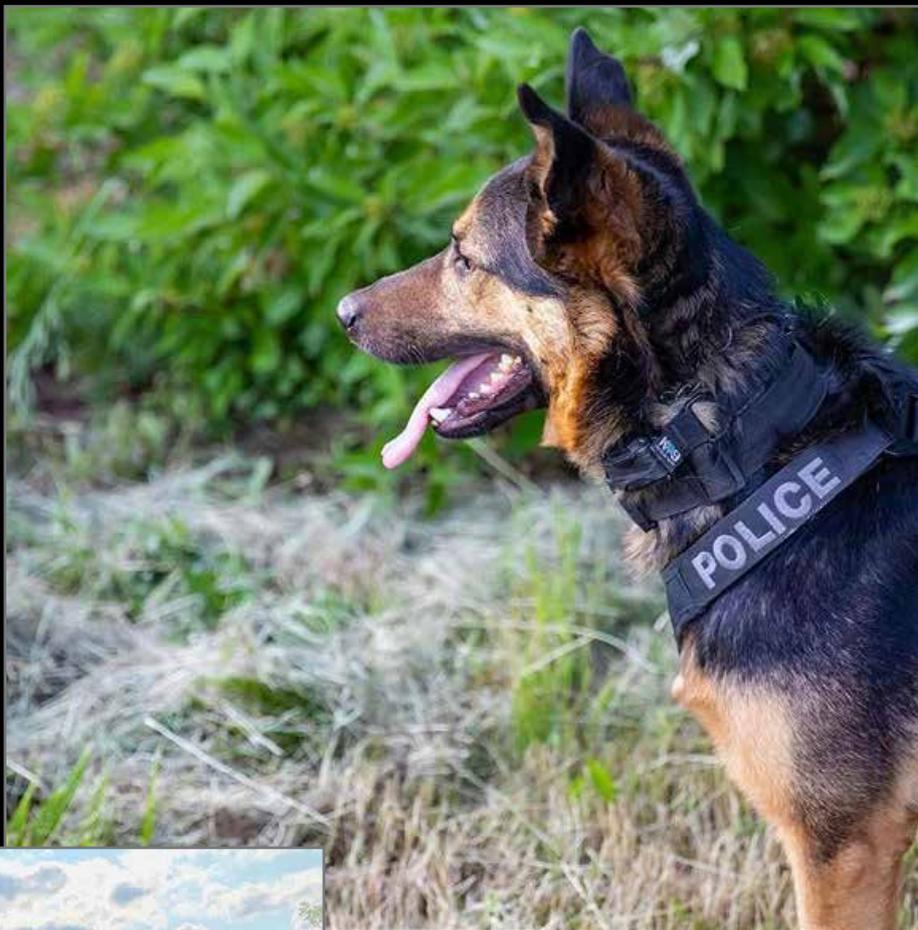

The property and evidence technician is responsible for the constant monitoring of each piece of property and evidence for security, location and disposition. She is bound by strict state and federal laws and regulations in the proper handling and tracking of property and evidence. Throughout the year, considerable amount of time and effort were spent destroying and/or disposing of old items in order to conserve space.

Training

EVERY DAY IS A TRAINING DAY

Tualatin officers take part in valuable training throughout the year. This training is what enables the officers to be the safest they can be while doing their jobs and protecting others.

HONOR GUARD

STOP KIDS IMPAIRED DRIVING

Community Academy

EACH YEAR THE TUALATIN POLICE DEPARTMENT HOSTS A COMMUNITY ACADEMY TITLED "THE TUALATIN POLICE EXPERIENCE".

There are 12 participants that attend each annually held academy.

This event gives community members the opportunity to take an in-depth tour of our facility, learn the functions of the various divisions of the police department, take part in defensive tactics exercises and confrontational scenarios, learn emergency vehicle driving and safely shoot firearms. It is our way of sharing a small percentage of what it's like to be an officer and what our department does each day to stay safe and protect others. This enables the participants to walk away with a far better understanding of what police do and why.

The Tualatin Police Experience has proven to be a very educational event. Each time all of the participants have provided valuable feedback. Many of them have said the experience will forever change the way they look at police related situations in the future, and they have greatly benefited from the training.

National Night Out

NATIONAL NIGHT OUT

GIVING CRIME AND DRUGS A GOING AWAY PARTY

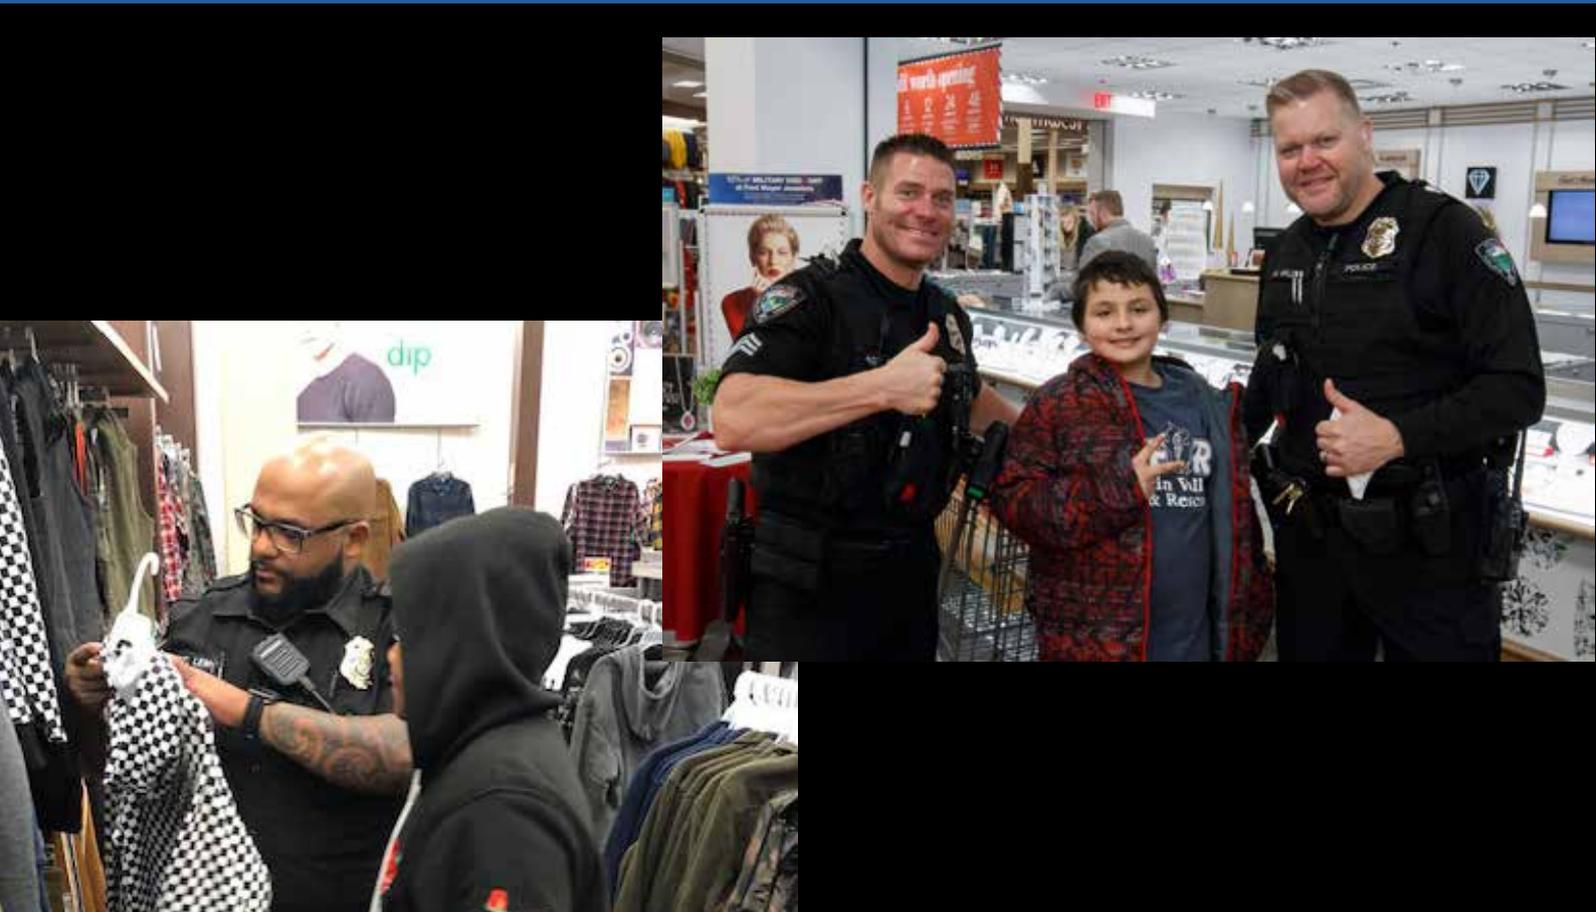

The first Tuesday of every August is National Night Out. This is the time where residents in neighborhoods throughout Tualatin and across the nation are asked to lock their doors, turn on outside lights and spend the evening outdoors with neighbors, family, friends and police to give crime and drugs a going away party. Many people hosted a variety of events such as block parties, cookouts, parades, contests, youth activities and small concerts. Tualatin Police Officers love to attend these events and mingle with the community. This is all done in the spirit of getting to know neighbors and local police in order to prevent crime in the community and build alliances against criminal activity in the City of Tualatin. In 2019, Tualatin celebrated National Night Out with just under 20 events throughout the community.

These certificates were valued at approximately \$250 each and were good for a birthday pizza party with Tualatin Police Officers at the Tualatin Police Department. These parties were a ton of fun for kids and officers alike, and gave kids an opportunity to see what it's like inside the police department, the holding facility and a police car.
