Family Emergency Preparedness

Get Trained

CASCADE+
TRAINING CENTER

In partnership
with

Get Trained is another pillar of Emergency Preparedness. To best provide our citizens with the knowledge and training to save lives, Clackamas Fire District #1 has partnered with Cascade Healthcare Services to provide regular and consistent training in CPR and First Aid. By signing up through this program you will be learning from top notch instructors at Cascade Healthcare Services at one of Clackamas Fire District #1's community rooms or training venues. We hope you enjoy your experience as you learn to save a life!
